Dear Donato Carbone and Andrea Carbone

We are working with our SMSF software provider BGL Corporate Solutions Pty Ltd to ensure your fund complies with the requirements of SuperStream for Contributions, Rollovers and Release Authorities (RA).

What is SuperStream?

Under SuperStream, employers must report super contributions on behalf of their employees by submitting data and payment details electronically in accordance with the SuperStream standard. All superannuation funds, including SMSFs, must receive contribution details electronically in accordance with this standard.

From 1 October 2021, you are required to use the SuperStream standard when a member requests a rollover of their member balances to another super fund. This includes rollovers between APRA-regulated funds and SMSFs. Additionally, certain release authorities may be processed via SuperStream.

What do I need to do to meet my SuperStream obligations?

For Rollovers and Release Authorities: To fully benefit from the functionalities built-in Simple Fund 360 for Rollovers, RA and Contributions through SuperStream, you will have to use the new **BGLSF360** ESA. If your fund is not currently on the BGL ESA, you may change the ESA or register within Simple Fund 360.

For Contributions: You will need to provide your employer with the following information.

- Super fund name
- ABN
- The BGL Electronic Service Address (ESA): **BGLSF360**
- The super fund's Bank BSB and Account Number

If you do not provide these details to your employer, we will not be able to load SuperStream data into your SMSF.

How do I let my employer know about my SuperStream details?

You can do this by using the attached Employer Notification Letter or providing the above details via email or otherwise updating your personnel records with your employer.

Should you require any further information on SuperStream, please do not hesitate to contact us.

Regards
