**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2012**

---

**1. Summary of Significant Accounting Policies**

The trustees have prepared the financial statements on the basis that the superannuation fund is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Superannuation Industry (Supervision) Act 1993 and accompanying Regulations, the trust deed of the fund and the needs of members.

The financial statements have also been prepared on a cash basis unless stated otherwise and are based on historical costs, except for investments, which have been measured at market values.

The following significant accounting policies, which are consistent with the policies applied in the previous period unless otherwise stated, have been adopted in the preparation of the financial statements.

The financial statements were authorised for issue by the trustees/directors of the trustee company

**a. Measurement of Investments**

The fund initially recognises:

- i. an investment when it controls the future economic benefits expected to flow from the asset. For financial assets, the trade date is considered the date on which control of the future economic benefits attributable to the asset passes to the Fund; and
- ii. a financial liability on the date it becomes a party to the contractual provisions of the instrument.

Investments of the fund have been measured at their market values, which is the amount that a willing buyer of the asset could reasonably be expected to pay to acquire the asset from a willing seller if the following assumptions were made:

- that the buyer and the seller deal with each other at arm's length in relation to the sale;
- that the sale occurred after proper marketing of the asset; and
- that the buyer and the seller acted knowledgeably and prudentially in relation to the sale.

Market values have been determined as follows:

- i. shares and other securities listed on the Australian Securities Exchange by reference to the relevant market quotations at the end of the reporting period;
  - ii. units in managed funds by reference to the unit redemption price at the end of the reporting period;
  - iii. fixed-interest securities by reference to the redemption price at the end of the reporting period;
  - iv. unlisted investments are stated at trustees' assessment based on estimated market value at balance date or where necessary, an external valuer's opinion; and
-

**WEMM SUPERFUND**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2012**

---

- v. investment properties at trustees' assessment of market value or where necessary a qualified independent valuer's opinion at the end of reporting period.

Financial liabilities, such as trade creditors and other payables, are measured at the gross value of the outstanding balance at the reporting date. The trustees have determined that the gross values of the fund's financial liabilities are equivalent to their market values. Any remeasurement changes in the gross values of non-current financial liabilities (including liabilities for members' accrued benefits) are recognised in the operating statement in the periods in which they occur.

**b. Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand and at call, deposits with banks and short-term, highly liquid investments that are readily convertible to cash and are subject to an insignificant risk of change in value.

**c. Revenue**

Revenue is recognised at the fair value of the consideration received or receivable.

**Interest revenue**

Interest revenue is recognised in respect of fixed-interest securities, and cash and cash equivalent balances. Interest revenue is recognised upon receipt.

**Dividend revenue**

Dividend revenue is recognised when the dividend has been paid or, in the case of dividend reinvestment schemes, when the dividend is credited to the benefit of the fund.

**Rental revenue**

Rental revenue arising from operating leases on investment properties is recognised upon receipt.

**Distribution revenue**

Distributions from unit trusts and managed funds are recognised as at the date the unit value is quoted ex-distribution and if not received at the end of the reporting period, are reflected in the statement of financial position as a receivable at market value.

**Remeasurement changes in market values**

Remeasurement changes in the market values of assets are recognised as income and are determined as the difference between the market value at year-end or consideration received (if sold during the year) and the market value as at the prior year-end or cost (if the investment was acquired during the period).

**d. Liability for Accrued Benefits**

The liability for accrued benefits represents the fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amount of the assets and the carrying amount of the other payables and income tax liabilities as at the end of the reporting period.

**e. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where

---

**WEMM SUPERFUND**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2012**

---

the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or other payables in the statement of financial position.

**f. Critical Accounting Estimates and Judgements**

The preparation of financial statements requires the trustees to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

**2. Liability for Accrued Benefits**

Changes in the Liability for Accrued Benefits are as follows:

	2012	2011

**3. Vested Benefits**

**PART A - FINANCIAL REPORT**

I have audited the special purpose financial report comprising the Statement of Financial Position as at 30 June 2012, and the Operating Statement for the year then ended, a summary of significant accounting policies and other explanatory notes of the WEMM Superfund for the year ended 30 June 2012.

**SMSF trustee's responsibility for the financial report**

Each SMSF trustee (or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the Superannuation Industry (Supervision) Act 1993 (SISA) and the Superannuation Industry (Supervision) Regulations 1994 (SISR). Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

**Approved SMSF auditor's responsibility**

My responsibility is to express an opinion on the financial report based on my audit. I have conducted an independent audit of the financial report in order to express an opinion on it to the trustee. I have complied with the auditor independence requirements prescribed by the SISR and the competency standards set by ASIC.

My audit has been conducted in accordance with Australian Auditing Standards<sup>1</sup>. These standards require that I comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the trustee's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the trustee's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the trustee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Approved SMSF auditor's opinion**

In my opinion, the financial report presents fairly, in all material respects, in accordance with the accounting policies described in the notes to the financial statements, the financial position of the fund at 30 June 2012 and the results of its operations for the year then ended.

**Basis of accounting**

Without modifying my opinion, I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist WEMM Superfund meet the requirements of the SMSF's governing rules, the Superannuation Industry (Supervision) Act 1993 (SISA) and the Superannuation Industry (Supervision) Regulations 1994 (SISR). As a result, the financial report may not be suitable for other purposes.

**PART B - COMPLIANCE REPORT**

**SMSF trustee's responsibility for compliance**

Each SMSF trustee is responsible for complying with the requirements of the SISA and the SISR.

**Approved SMSF auditor's responsibility**

My responsibility is to express a conclusion on the trustee's compliance, based on the compliance engagement.

**WEMM SUPERFUND**  
**SELF-MANAGED SUPERANNUATION FUND**  
**INDEPENDENT AUDITOR'S REPORT**

---

I have complied with the auditor independence requirements prescribed by the SISR and the competency standards set by ASIC.

My audit has been conducted in accordance with applicable Standards on Assurance Engagements, to provide reasonable assurance that the trustee of the fund has complied, in all material respects, with the relevant requirements of the following provisions (to the extent applicable) of the SISA and the SISR.

Sections: 17A, 35AE, 35B, 35C(2), 52B(2)(d) - 52B(2)(e), 62, 65, 66, 67,67A, 67B, 69-71E, 73-75, 80-85, 103, 104A, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the SISA and the SISR for the year ended 30 June 2012.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified. My procedures with respect to section 62 included testing that the fund trust deed establishes the fund solely for the provision of retirement benefits for fund members or their dependants in the case of the member's death before retirement; a review of investments to ensure the fund is not providing financial assistance to members, unless allowed under the legislation; and testing that no preserved benefits have been paid before a condition of release has been met.

My procedures with respect to regulation 4.09 included testing that the fund trustee has an investment strategy, that the trustee has given consideration to risk, return, liquidity, diversification, the insurance needs of fund members, and that the fund's investments are made in line with that investment strategy. No opinion is made on the investment strategy or its appropriateness to the fund members.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit conclusion.

**Approved SMSF auditor's conclusion**

In my opinion, each trustee of WEMM Superfund has complied, in all material respects, with the requirements of the SISA and the SISR specified above, for the year ended 30 June 2012.
