| Units Sold                    | 2.0000 | Profit/(Loss) Summary                                       | <u>Taxable</u>                | Non Taxable                  | <u>Total</u>       |
|-------------------------------|--------|---|-------------------------------|------------------------------|--------------------|
| Original Cost                 | 0.00   | - Indexation Method   |                               |                              |                    |
| Consideration                 |        | - Discounted Method   |                               |                              |                    |
| Total Tax Deferred^           |        | - Other Method  | 0.00                          |                              | 0.00               |
| - Tax Deferred and Tax Exempt | 0.00   |   |                               |                              |                    |
| - Tax Free                    | 0.00   |   |                               |                              |                    |
| Building Depreciation         |        | (Building depreciation is not included in Profits/(Losses)) | n the calculations or journal | entries but as an adjustment | to Taxable Capital |
| Total Profit/(Loss)           | 0.00   |   |                               |                              |                    |

For assets acquired before 21 September 1999 and held for 12 months or more, a fund can calculate capital gains using either the Indexation Method or the Discounted Method. For assets acquired after 21 September 1999 and held for 12 months or more, a fund can only calculate capital gains using the Discounted Method. For assets held less than 12 months, neither the Indexation Method or Discounted Method can be used. These disposals generate "Other" Capital Gains/Losses.

#### **Journal Entry**

This Journal Entry assumes the consideration received has been posted to the Disposal of Investments Proceeds Account (A/c: 491)
