

**J & E RUDAN SUPERANNUATION FUND**

**TRUSTEE RESOLUTION - GOVERNING RULES**

**NOTED** that since the fund's governing rules were last amended, superannuation law has changed so as to:

- expand the range of professionals eligible to audit the fund;
- require the trustees to transfer to the ATO a lost member's account that is less than \$200 or has been inactive for five years;
- update pension standards including conditions for commencing a pension to a lump sum;
- permit eligible funds to roll over capital and revenue losses under a fund merger;
- keep the government co-contribution at its current level of up to \$1,000;
- increase restrictions for limited recourse borrowings involving guarantees, onlending, multiple assets and replacement assets;
- allow employers to make superannuation guarantee payments to Medicare Australia, which will act as a clearing house;
- include Farm Family Support Scheme payments as eligible income support payments for early release of superannuation on severe financial hardship grounds;
- reduce minimum payment amounts for account-based pensions for the 2010/11 financial year; and
- provide transitional relief, for 2004/05 to 2010/11, to deduct premiums for total and permanent disability insurance cover.

**RESOLVED** that:

1. to ensure that the fund's governing rules are consistent with these changes the Trustees replace the current Rules with *SUPERRULES2011* prepared by SuperGeneration (a copy of which is attached to this resolution or which the Trustees have reviewed);
2. this resolution does not amend any provision of the governing rules that provides for the payment of a defined benefit pension currently payable from the fund; and
3. for clause 2 the terms "defined benefit pension" and "governing rules" have the same meanings as in the Superannuation Industry (Supervision) Regulations.

**NOTED** that *SUPERRULES2011* also introduce changes that:

- align the Trustees' power to accept contributions with a recent ATO ruling; and
- include a provision aimed at minimising any excess contributions tax issues that arise.

- 6.7 If the Member dies while entitled to the pension, the Trustee may either pay a benefit under rules 5.4 to 5.10 or continue the pension under rule 6.19.
- 6.8 The pension commences when the Trustee and Member agree (but no later than required by Government Requirements) and ends when the balance of the relevant Member Account is nil.
- 6.9 If the pension reverts or is commuted, the reversionary component or commuted amount must not be greater than the benefit that was payable before the reversion or commutation or the amount permitted under Government Requirements.
- Account based pensions**
- 6.2 The Trustee must pay all or part of a benefit as an account based pension if the Member requests.
- 6.3 The Trustee must pay the pension from a Member Account of the Member on terms that the Trustee and Member agree as to the level and frequency of payment. However, the level of the pension must be within the minimum and maximum levels (if any) prescribed by Government Requirements for such a pension and the Trustee must pay the pension at least annually.
- 6.4 Unless Government Requirements permit: (a) the pension entitlement must not be transferred or used as security for a borrowing; and (b) after the pension commences the capital supporting it must not be added to by way of contribution or a rollover of a superannuation benefit.
- 6.5 The Member may elect to commute all or part of the pension by notifying the Trustee in writing.

## Winding up procedure

- 11.5 The Trustee must determine investment return for each asset portfolio (or if there are none, for the Fund) to be applied to Member Accounts as at the date of the notice to Members. The Trustee must then apply the Fund assets towards:
- (a) satisfying actual and contingent liabilities (except benefits); then providing pro rata for each Member in respect of the benefits then payable for the Member or, if a benefit is not then payable, a benefit equal to the Member's Account Balance; then
  - (c) increasing those benefits with the consent of the Members.
- 11.6 The Trustee must comply with rules 5.4 to 5.10 and 6 regarding benefits payable for Members on winding up.
- ## 12 FUND GUARDIAN
- 12.1 The Members may appoint a Guardian of the Fund. The appointment terminates only if the Members revoke it or if the Guardian dies, resigns or becomes incapable of managing financial affairs. The Guardian may appoint a successor Guardian to take office in any of those events.
- 12.2 An appointment of a Guardian must be in writing.
- 12.3 If there is a Guardian then despite anything else in the Deed or Rules:
- (a) in acting as trustee of the Fund, the Trustee must comply with any direction of the Guardian; rules 7.3, 7.4, 7.6 and 11.2 have no effect; and
  - (c) the Guardian may replace the Trustee if the replacement Trustee meets Government Requirements; and the Members may not dismiss the Trustee or the replacement trustee.
