### Updating your maturity instructions or your nominated account.

You can change your maturity instructions or your nominated account using a change of business term deposit details form – which you can find at [mebank.com.au](https://mebank.com.au). You can also change your maturity instructions over the phone by calling us on **1300 658 108**. If you don't provide any maturity instructions, we'll reinvest your term deposit for the same length and interest payment frequency (which includes how your interest earned is paid to you), at the interest rate applicable on that maturity date.

If you're changing your nominated account and it's with another financial institution, we may ask you to provide a copy of a bank statement to help us verify your account details.

Just keep in mind that we need to receive your instructions at least two business days before your term deposit matures.

**When to expect funds in your nominated account.**

If all or part of your investment is to be paid out on a weekend or non-business day, we will transfer the funds to your nominated account the next business day. If your nominated account is with another financial institution, you may experience an additional delay before the funds are available to you.

**Important information about your reinvestment.**

- The interest rate which applies to your new Business Term Deposit is provided above. There may be other basic deposit products available from us with a higher interest rate, with a comparable term.
- Once your Business Term Deposit matures, you have up to seven days to notify us of your request to withdraw or transfer the reinvested funds from the new Business Term Deposit without incurring a fee or a reduction in the investment return. Please note that your Business Term Deposit maturity date counts as the first day, for example – if it matures on the first of the month, you have until the seventh of that month to contact us. Any changes requested during this period will require your Business Term Deposit to be closed and a new one opened.
- After the expiry of seven days you may only withdraw or transfer funds from your new Business Term Deposit by giving us 31 days prior notice. You may incur a fee or a reduction in the new Business Term Deposit return. Please check our business deposits product fees and charges guide for the applicable early withdrawal interest adjustment. If less than 31 days is left before the maturity of your new Business Term Deposit, the funds will be withdrawn or transferred at maturity of the new Business Term Deposit.

If you currently have access to our internet, phone or mobile banking services, your Customer ID and Access Code will remain the same for your new account. If you don't have access, please give us a call and we can set this up for you over the phone.

**Questions?**

If you want more info on this – or anything else – get in touch on **1300 658 108**, Monday to Friday 9am–5pm (AEST/AEDT).
