Thank you for selecting the Perpetual's DIY Super SMSF Service. I enclose the following documents for your attention:

- **Deed of Establishment** (in triplicate) For execution by the Trustee(s). One copy should be retained by the Trustee(s), the other copy is to be sent to our office once they have been signed.
- **Minutes & Resolutions** To be signed by the Trustee(s) in regard to the Deed of Establishment, adoption of an investment strategy and administration agreements for the Fund. Samples of possible investment strategies are included. As Trustee(s) you can adopt one of these strategies or develop your own as appropriate.

These documents should be retained by the Trustee(s) and a copy forwarded to us for our records.

- **Appointment of Auditor and Tax Agent** Please complete and sign Form A (Appointment of Auditor), Form B (Appointment of Tax Agent) and Form TX220 (granting legal right to lodge the tax return). Note that only one Trustee is required to sign the TX220 form. Please ensure these forms are returned to me at your earliest convenience.

Having received the completed and signed forms, we will then be in a position to prepare the financial statements and tax return at the end of the financial year. Once the Fund audit has been completed the documents will be sent to you for signing as Trustee of the Fund. These documents will need to be returned to us so they can be lodged with the appropriate regulatory authority prior to their lodgement deadline.

- **Statutory Declarations** It is important to consider the eligibility of each person to act as Trustee of the Fund. Enclosed are some statutory declarations that the Trustee(s) can sign, if they have not already done so. These should be filed with your Fund's records as evidence that you have reviewed and satisfied this legal requirement.

- **Product Disclosure Statements ('PDS')** SMSF Trustee(s) are required to give **new** fund members (including themselves) a PDS unless they are satisfied that the new member has received or has access to all of the information that would have been contained in the PDS.

Perpetual's offer documents have been designed to help satisfy those PDS requirements for you, however there may be times when you will need to provide new members with additional information, for example where the Trustee(s) have adopted investment strategies that are different to the draft strategies provided by Perpetual.

As Trustee of your fund you should seek professional advice as to what PDS requirements may apply to your fund, and the extent to which these documents may satisfy them for you.

The fund has been provisionally registered at the Australian Business entry point. The Fund's Australian Business Number (ABN) and Tax File Number (TFN) are to be notified in due course. Please note the Fund's ABN in any correspondence with Rollover Funds.

Finally you may care to visit the ATO website and obtain a copy of the "A DIY Guide for Trustees running a SMSF" at www.ato.gov.au.

Please contact me if you require any further information or assistance.

Yours sincerely,

Schedule A

Rules for Binding Death Benefit Nominations adopted for

B M BEVAN & R J WHITESIDE SUPERANNUATION FUND

Rules for Binding Death Benefit Nominations

Under the terms of the trust deed governing the B M Bevan & R J Whiteside Superannuation Fund, members may nominate dependants (and legal representatives) to receive the whole or a specified portion of the benefit payable in the event of the member's death. The trust deed also provides that the trustee may prescribe rules for the making of binding nominations and any other matter in respect of, or arising from, them.

The trustee has adopted these rules for that purpose. These rules may be amended by resolution of, or in writing by, the trustee at any time.

1. DEFINITIONS AND INTERPRETATION

Definitions

Binding Nomination means the last effective Nomination Form made, confirmed or amended by a Nominating Member in accordance with these rules (as amended) which has not been revoked by the Member.

Death Benefit means a benefit payable in respect of a member on the member's death under the governing rules of the Fund.

Default Provisions means the provisions in the trust deed of the Fund governing the payment of Death Benefits where there is no current Binding Nomination.

Eligible Nominated Beneficiary means a person who is nominated to receive a portion of the Death Benefit in respect of a Nominating Member and who is eligible to receive a benefit under the Superannuation Law at the date of the Nominating Member's death.

Nominated Person means a person who is nominated to receive a portion of the Death Benefit in respect of the Nominating Member in a Nomination Form.

Nominating Member means the member of the Fund who makes a Binding Nomination.

Nomination Form means a form approved by the trustee which, if completed and lodged in accordance with these rules at the time the nomination form is completed, would constitute a Binding Nomination.

Superannuation Law means any requirements under the Superannuation Industry (Supervision) Act, the Superannuation Entities (Taxation) Act, the Superannuation (Resolution of Complaints) Act, the Superannuation Guarantee (Administration) Act or any other law in relation to superannuation funds, or by a Superannuation Authority:

- (a) imposed on the Trustee; or
- (b) which the Fund must satisfy to qualify for the most favourable taxation treatment available to superannuation funds.

It includes any proposed requirements which the Trustee believes will have retrospective effect.

2. MAKING AND CONFIRMING BINDING NOMINATIONS

- 2.1 The trustee may prescribe the form and content of Nomination Forms.
- 2.2 In order for a completed Nomination Form to constitute a Binding Nomination it must:
 - (a) comply with all requirements prescribed by the SIS Regulations¹ and these rules for the making of binding death benefit nominations; and
 - (b) be delivered into the trustee's possession prior to the member's death.
- 2.3 For the purposes of these rules in order to constitute a Binding Nomination a Nomination Form must be witnessed by two persons who are not referred to in the Nomination Form.
- 2.4 2.4 The trustee will seek clarification from the Nominating Member where required by Superannuation Law.

¹ SIS requires the following:

- (a) The Nomination Form must be signed and dated by the Nominating Member in the presence of 2 witnesses, being persons:
 - (i) each of whom has turned 18; and
 - (ii) neither of whom is a person mentioned in the notice.
- (b) The Nomination Form must contain a declaration, signed and dated by the witnesses stating that the notice was signed by the member in their presence.
- (c) The trustee must provide the member with information that the trustee reasonably believes the member reasonably needs to understand the rights of the member in respect of binding nominations.
- (d) Each of the persons mentioned in the Nomination must be a legal personal representative or dependant of the Nominating Member.
- (e) The proportion of the benefit to be paid to each of the persons must be certain or readily ascertainable.

- 2.5 The trustee may (but is not required to) ask the Nominating Member to confirm that a Nominated Person is an Eligible Nominated Beneficiary.
- 2.6 Eligibility is determined at the date of death. The fact that a Nominated Person is not an Eligible Nominated Beneficiary at the date the Nomination Form is made or the date the trustee receives the Nomination Form will not affect the nomination of that person or the validity of the Nomination Form.
- 2.7 The trustee may require proof that a Nomination Form was actually made by the person by whom it purports to have been made.
- 2.8 A Nominating Member may confirm an existing Binding Nomination prior to its ceasing to have effect by giving to the trustee a notice to that effect signed and dated by the Nominating Member.

3. EVENTS AFFECTING AND EXISTING NOMINATION

- 3.1 A Binding Nomination will cease to have any effect:
 - (a) In circumstances prescribed by Superannuation Law;
 - (b) If the Nominating Member marries or remarries since the Binding Nomination was made;
 - (c) If the Nominating Member divorces since the Binding Nomination was made.

4. ADJUSTMENTS AND VARIATIONS TO BINDING NOMINATIONS

4.1 In the event of:

- (a) the death of any Nominated Person prior to the death of the Nominating Member; or
- (b) the Nominated Person not being an Eligible Nominated Beneficiary at the date of the Nominating Member's death; or
- (c) the Nominated Person waiving their rights to receive any benefit,

then the benefit that is specified to be paid to the Nominated Person under the Nomination Form will be distributed equally amongst the surviving Eligible Nominated Beneficiaries (if any). If there are no surviving Eligible Nominated Beneficiaries the Death Benefit will be paid in accordance with the Default Provisions.

4.2 In the event of the death of any Eligible Nominated Beneficiary after the death of the Nominating Member, the benefit that is specified to be paid to the Eligible Nominated Beneficiary pursuant to the Binding Nomination will be distributed to the legal personal representative of the Eligible Nominated Beneficiary.

4.3 In the event that the sum of the benefits to be distributed amongst the surviving Eligible Nominated Beneficiaries is other than 100% of the Death Benefit, and the trustee has not clarified the matter prior to the death of the Nominating Member, the proportions specified will be adjusted so that the sum of the proportions is 100% with the adjustments being proportional to the initial distributions calculated to one decimal point.

For example:

$$A = 60\%$$

$$B = 40\%$$

$$C = 30\%$$

The proportional adjustments would be worked out as follows:

$$A = 60\%/130\% = 46.2\%$$

$$B = 40\%/130\% = 30.7\%$$

$$C = 30\%/130\% = 23.1\%$$

- 4.4 In the event that a Binding Nomination contains Eligible Nominated Beneficiaries but does not specify any proportion of the Death Benefit to be distributed to any of them, and the trustee has not clarified the matter prior to the death of the Nominating Member, the Death Benefit will be distributed equally amongst all of the Eligible Nominated Beneficiaries.
- 4.5 In the event that a Binding Nomination contains Eligible Nominated Beneficiaries and specifies a proportion of the Death Benefit to be distributed in respect of some but not all of them, and the trustee has not clarified the matter prior to the Nominating Member's death, then:
- (d) If the sum of the proportions that are specified is less than 100% - the difference between (1) the sum of the proportions specified and (2) 100% will be distributed equally amongst the Eligible Nominated Beneficiaries in respect of whom no distribution is specified;
 - (e) If the sum of the proportions that are specified is equal to 100% - the Eligible Nominated Beneficiaries in respect of whom no distribution is specified will not be entitled to receive any portion of the Death Benefit.

5. NEW BINDING NOMINATIONS AND AMENDMENTS TO EXISTING BINDING NOMINATIONS

- 5.1 If the trustee receives a Nomination Form which constitutes a Binding Nomination for a Member the most recent Binding Nomination takes effect immediately and all previous Binding Nominations cease to have any further effect from that time. Where the most recent Nomination Form does not constitute a Binding Nomination the previous Binding Nomination ceases to have effect immediately and any benefit that becomes payable before any Binding Nomination is made by the member will be paid in accordance with the Default Provisions.
- 5.2 Binding Nominations may only be amended or revoked by the Nominating Member by written notice to the trustee signed by the member and witnessed by persons eligible to witness Binding Nominations under rule 2².

² See SIS Regulation 6.17A(5)(b).
