Dear Trustee,

Your policy is due for renewal soon and we're looking forward to covering you for another year.

### There is nothing for you to do

As you have a direct debit set up on your policy we will continue to debit your nominated bank account or credit card as usual. This notice is for your information only.

### Indexation Benefit

Your benefit amount automatically increases each year so it keeps up with the increased cost of living, unless you choose to opt out. The increases are set at a minimum of 5% for policies that commenced prior to 1 October 2018 - please notify us if you would like to use our updated Indexation Benefit that will only increase your benefit amount at the rate of inflation.

### Understanding your premium

You have cover with a stepped premium type, which means your premiums are recalculated each year based on your changing benefit amounts, your increase in age and any change we have made to our premium rate tables.

Last year we reviewed our premium rates as communicated on your previous renewal notice. If your cover, or part of your cover, is now in its second renewal, these rate changes did not apply at the first renewal, but do apply now.

### Continuing cover

We cannot cancel or further restrict the terms of your cover after the cover start date because of any change in your health, occupation or pastimes.

Please be aware that if you cancel your cover, this protection ceases and there is a risk that any adverse changes in your health, occupation and pastimes since your cover started may cause you to be worse off under any replacement policy. A financial adviser may be able to help assess whether this is a risk for you.

**Easy access, fast answers**
