#### Notes:

- If you sell shares or ETFs, the investment value you receive will be net of any applicable brokerage fee charged on the sale. Prices listed represent the market closing price provided by the relevant exchange on the last business day of the statement period and do not account for brokerage fees.
- Prices listed for managed funds are the "sell" price as at the price date, which is the price that would have been received on sale of the units. This is normally less than the "buy price", as a result of buy/sell spreads charged by managed funds to cover transaction costs.
- The portfolio valuation includes transactions that are confirmed, not yet settled up to and including those on the last day of the reporting period.
- Income on investments due not yet received includes accrued income that is due to settle after this statement reporting period.
- The price for managed funds is rounded to four decimal places. For shares and ETFs, the price is rounded to three decimal places.

## Your investment asset allocation (%) as at 30 June 2022

■ Australian shares	32.24%
■ International shares	67.76%

Note: This excludes cash held in your Vanguard Cash Account.
