### **Inquiries and Complaints**

The Trustee has in place an internal mechanism for dealing with inquiries and complaints. Full details of the inquiry and complaint procedures are available from the contact person for the Fund. A summary of the inquiry and complaint procedures is as follows:

All inquiries and complaints must be in writing and must be submitted to the Fund's contact person. Copies of complaint/inquiry forms can be obtained from the contact person.

The procedures established by the Trustee require all inquiries and complaints to be responded to as soon as possible, but not more than 90 days after the date received.

The contact person will respond directly to the applicant in respect of any inquiries or complaints which the contact person is able or authorised to deal with, or may refer the matter directly to the Trustee. In that case the Trustee will respond directly to the applicant.

Any member making inquiries or complaints may be required to provide further information before the matter can be dealt with. The contact person or the Trustee will advise in writing if further information is required.

### **Superannuation Complaints Tribunal**

If you have a complaint about, or a dispute with any decision made by the Trustee of the Fund, you may be entitled to have your dispute heard before the Superannuation Complaints Tribunal.
