Dear Tony,

Re: The Robyn Ottey Superannuation Fund
Year ended 30 June 2020

You have been auditing this SMSF since 2010.

Simple Fund 360 was used this year for the first time.
Sage HandiLedger was used previously.
Both systems were used in parallel for the 2019 and 2020 financial years.

Previously our information was forwarded by email.

This year the files are being uploaded through Super Audits portal.

Yours faithfully,

Neil W. Ottey
Director
