ePayments code

The ePayments code outlines where you could be liable for unauthorised electronic transactions involving your login, password or PINs. Please visit asic.gov.au and search for ePayments for more information.

Look after your password

It's important to keep your password secret at all times. A secure password is hard to guess and needs to be between 6 and 8 characters long, and consist of both letters and numbers. Your password should not contain your birth date or a recognisable part of your name.
