## 2020 Client substantiation declaration

I **confirm** that you have advised me that I must demonstrate that I have incurred an expense for income producing purposes. In addition, you have advised me of the stringent SUBSTANTIATION legislation I must satisfy in relation to work, car and business travel expenses.

In addition, you have informed me that I must obtain original receipts and keep them for a minimum of five years from the date my return is lodged. The receipts must contain the following details:

- name of supplier;
- amount of expense;
- nature of goods and services (noting the specific type of items purchased or expenditure incurred which I am able to personally record up to the date of lodgment of my return where not adequately noted by the supplier);
- date of expense (which I am able to personally record where not noted by the supplier); and
- the date of the documents.

### Penalties to apply with incorrect returns

You have also advised me that additional tax, penalties, interest and possible prosecution action may be taken against me by the ATO if I provide details which lead to an incorrect tax return being lodged.

In addition, you have informed me that an important feature of the new tax agent services regime which commenced on 1 March 2010 is the provision of a "safe harbour" protection from penalties in certain circumstances for taxpayers who engage registered tax agents.

You have also advised me that in order to obtain the benefits of "safe harbour" protection, I must provide you with "all relevant taxation information" to enable accurate statements to be provided to the Australian Taxation Office.

### Income from sources in and out of Australia for the year of income

You have advised me that as an Australian resident I must declare income from all sources, in **and out** of Australia, including net capital gains received, for the year of income in my tax return.

### Apportionment

Where items are used for both business and private purposes, e.g., car, mobile telephone, home telephone, computer etc, I have records to verify my business usage claim. In addition, my employer will verify that it was necessary to incur such expenditure in earning my assessable income. Further, I have instructed you to prepare the return based on me being able to produce these records, if required.

### Audit matters

I further confirm that:

- I am aware of the procedures to follow if a document is lost or destroyed;
- I may be required to verify any income or expense item noted in my return in the event of an ATO audit;
- I understand the Substantiation schedules I completed for all work, car and travel expense claims under self-assessment;
- I understand that, for the purposes of obtaining "safe harbour" protection, it remains my responsibility to properly record matters relating to my tax affairs and to bring all of the relevant facts to your attention in order to show reasonable care; and
- I have read and understood the return prepared for me.

**2020 Client substantiation declaration continued**

I declare that:

- a. I have disclosed, and you have returned, all of the income including net capital gains which I have earned/received, for the 2020 income year.
- b. All income declared, claims for deductions and tax offsets/rebates included in my return are based on my specific instructions and advice that I satisfy the relevant taxation requirements.
- c. I have all receipts or documentation necessary to substantiate the above claims and I will make them available if required by the Tax Office; and
- d. You have clarified what written evidence (including car/travel records) will be required during an audit and penalties, (including prosecution) that may be applied if incorrect claims are identified in an audit situation.

24 November 2020

D Baker & Associates Pty Ltd  
PO Box 310  
Midland WA 6936

Dear Sir / Madam,

In preparation for your examination of the special purpose financial report of the **Resnick Superannuation Fund** as at 30 June 2020, the following representations are made which are true to the best of our knowledge and belief:

### 1. Risk of Fraud

The risk that the financial report is materially mis-stated due to fraud is considered to be low as a result of the following:

- a) The trustee's are signatories on all transactions, no other party has the authority to act on behalf of the trustee; and
- b) Reconciliations are undertaken by the fund's accountant for both investments held and all bank accounts maintained by the fund.

We have not identified any specific risks of fraud, however we acknowledge that if fraud existed within the fund, the most likely areas of concern would be investments or cash being mis-appropriated or contributions being intercepted prior to being banked into the fund's bank account.

### 2. Procedures for Identifying and Responding to Fraud

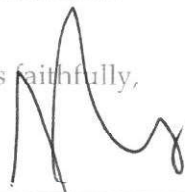

As trustee we believe the procedures in place reduce the risk of fraud, however should fraudulent activity be identified, the trustee would ensure all trustees are aware of the situation and the fund's accountant and auditor would be informed.

Depending on the situation, steps would be implemented to cease the fraudulent activity and controls would be put in place to limit any future activity from affecting the fund.

### 3. Existence of Fraud

We confirm we have no knowledge of any actual, suspected or alleged fraud affecting the fund.

Yours faithfully,

**S Resnick**  
Director

## ENGAGEMENT LETTER

To: The Trustees, The Resnick Superannuation Fund

### Scope

You have requested that we audit the financial report of The Resnick Self Managed Superannuation Fund, which comprises the balance sheet as at 30 June 2020, and the income statement for the year then ended a summary of significant accounting policies, other explanatory notes and the trustees' declaration. We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our audit will be conducted with the objective of expressing an opinion on the financial report and compliance with the *Superannuation Industry Supervisory Act 1993*.

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement. An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the Trustees, as well as evaluating the overall presentation of the financial report.

Because of the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements may remain undiscovered. In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

We take this opportunity to remind you that the responsibility for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Superannuation Industry Supervisory Act 1993* is that of the trustees. Our auditor's report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report in accordance with the applicable financial reporting framework and this responsibility includes:

- designing, implementing and maintaining internal control relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error;
- selecting and applying appropriate accounting policies; and

- making accounting estimates that are reasonable in the circumstances.

As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit.

### **Other Matters under the *Corporations Act 2001***

#### *Independence*

We confirm that, to the best of our knowledge and belief, we currently meet the independence requirements of the *Corporations Act 2001* in relation to the audit of the financial report. In conducting our audit of the financial report, should we become aware that we have contravened the independence requirements of the *Corporations Act 2001*, we shall notify you on a timely basis.

We look forward to your full cooperation and make available to us whatever records, documentation and other information we request in connection with our audit.

Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our audit of the financial report.

Yours faithfully,

Minute of meeting 14 February 2020 between Steven Kerbel and Steven Resnick

I met with Steven Kerbel this morning and we discovered that I inadvertently transferred \$5,000 from the wrong Macquarie CMA (Resnick SMSF) to my personal CBA account using the app on my phone on 13 December 2019.

This mistake will not happen again. I have renamed the account nickname to be very clear that it is my SMSF.

I have discussed this at length with Steven Kerbel (financial adviser) and we have done additional education surrounding the sole purpose of the SMSF - that it is for retirement purposes only. I have known and do know that I cannot derive any benefit from the funds in accumulation phase.

I have corrected this mistake immediately and transferred funds back into Macquarie during our meeting.

Yours Faithfully,
