What you've instructed us to do at maturity

You haven't given us instructions about what you would like us to do with your investment at maturity. If we don't hear from you, we'll need to set up a new investment for the investment amount plus net interest due on 8 November 2017 as a NAB Term Deposit for a term of 4 months and 11 days. This will be invested at the interest rate that applies on the date of maturity, and on the same terms and conditions unless you tell us otherwise.

If you'd like to change your investment instructions, please contact your NAB Banker, give us a call on 13 13 12 or visit your nearest NAB branch before your investment matures. You'll have up to 7 calendar days after maturity to make changes to your investment.

** Estimate based on withholding tax if it applies. For terms of 12 months or more, interest is also paid annually.
