### 24 Taxed splittable contributions

Write the amount or percentage that your spouse is to receive. It cannot be more than 85% of the contributions you made in this category or more than your concessional contributions cap for the financial year. Your concessional contributions cap will equal the general concessional cap plus the previously unused concessional contributions made in excess of the general concessional contributions cap. Your increased concessional contributions cap, will be used to determine the maximum amount of taxed splittable contributions.
