### Reading your remittance advice

This remittance advice provides details of super co-contribution payments credited to you for one or more of your members.

### Payment for and account details

These details are provided so you can reconcile each payment with the correct member account.

Where you have made a claim for payment, the member and account details will match those you reported to us as part of your claim.

### Remittance reference number

This is a unique identifier we assign to the remittance of a member's super co-contribution payment.

It is important to note this number as it needs to be quoted if you are not accepting a particular payment on this remittance.

### Payment

This is the total amount of super co-contribution being credited for a member.

### Tax file numbers

From 1 July 2007, funds cannot accept any member contributions, including super co-contributions paid by the Australian Taxation Office unless the fund holds a tax file number for that member.

### What should you do if you will not be accepting one or more payments on the remittance?

You will need to complete a *Superannuation payment variation advice* (NAT 8451) statement and lodge it and your repayment with us on or before **18 June 2021**.

The *Completing the Superannuation payment variation advice* (NAT 8450) statement instructions will help you fill out this form.

Your repayment can be sent electronically to us by BPAY® or direct credit, or by cheque enclosed with the completed form.

If you are paying by cheque, please refer to the 'How to pay' information on the *Superannuation payment variation advice* (NAT 8451) statement. This will help you to complete the repayment details.
