

Hello Team,

Here is the tax info for RAPEGA SUPER - 21/22 (Finally!). We are hopeful it is all here. If you notice anything missing, please do reach out & we'll print or email if we can locate.

NOTE: There is a receipt for Qld Urban Utilities (25/3/22 - \$271.09) that I've been unable to locate or print the invoice. The link has expired.

Thank you for your service (and patience).

Regards,

Peta & Martin Raftery
