This is a special dividend being paid following the completion of the sale of Suncorp's Australian Life Business. The preferred means of distributing the balance of net proceeds from the sale continues to be through a pro-rata return of share capital and share consolidation, which remains subject to shareholder approval. Suncorp will provide more information on this process in the coming months.

The total amount together with the franking credit (if any) should be disclosed as assessable income in your Australian tax return.

Note: You may require this statement for taxation purposes. All investors should seek independent advice relevant to their own particular circumstances.
