If you wish to vary your instructions you may contact us at ANY DAY prior to maturity with your new instructions by ringing Westpac on 132 032 (8am-8pm, 7 days a week) or contacting your branch.

You will need to give Westpac 31 days' notice to access your funds prior to maturity, except in cases of hardship. If you have less than 31 day's remaining on your term, the earliest you can access funds from this account is after maturity, if hardship doesn't apply.

Withdrawals prior to maturity may receive a reduced interest rate, this will be calculated on how much of the term has been completed.

If you think you may need access to funds prior to the maturity date, other deposit products may be more suitable.

If you haven't provided us with alternative instructions, at maturity, this account will automatically roll into a new term. Subsequent terms may have a lower interest rate.

Details of the interest rate adjustments can be obtained by calling the Term Deposit Enquiry number/s provided in the top right hand corner of this advice. Further information is contained in the Terms and Conditions for your Term Deposit. This doesn't take your circumstances into account, please read the Terms and Conditions before making a decision.

We have an internal process for handling and resolving any problem you may have with, or complaints relating to, your account or this product. Information about this process can be found in the Terms and Conditions for your account, or you can contact us on 1300 130 467.

Please check all entries on this statement and promptly inform the Bank of any possible error or unauthorised transaction.

### **IMPORTANT NOTICE**

Please advise Westpac if you do not wish the tax file number or exemption already quoted, to be applied to this deposit.

Collection of tax file numbers or exemptions is authorised by law. Quotation is not compulsory but tax may be taken out of interest if you do not quote your number or exemption. For more information about tax file numbers, contact the Australian Taxation Office.
