Dear Michael John,

Re: Account Based Pension (TRIS)

We have recently completed a review of the assets of M & K Smith Superannuation Fund and your account based pension account in the Fund as at 30 June 2018.

Based on the account balance and the legislative requirements for account based pensions, I have set out below the Minimum income stream which must be taken for the year ending 30 June 2019.

Your Account Based Pension account - \$34,100.74

Your Age at the beginning of the year - 63

Your Minimum income stream applicable - \$1,360.00

Your Maximum income stream applicable - \$3,410.00

The income stream taken will consist of:

- Taxable component - 92.60%
- Tax Free component - 7.40%

You have a choice as to the annual income stream you are to take, between the minimum and the maximum amounts (for a Transition to Retirement Pension) as outlined above.

Should you have any queries please do not hesitate to contact me.

Yours Sincerely,

.....  
Kaeren Ann Smith
