Dear Karen,

RE: Abundance Super Fund Audit

I am pleased to advise the SMSF audit has been finalised. I am now in a position to issue an unqualified audit report for the year ended 30 June 2021.

Consequently, please find enclosed the following documents:

- Audit Management Letter to the Trustees; and
- Signed 2021 audit report.

Please forward these documents to your client along with the financial reports and annual return prepared by your office.

Please ensure that you have returned the original signed copies of the audit engagement letter and trustee representation letter to my office for my records.

Should you have any queries or wish to discuss any matters further please do not hesitate to contact my office on (07) 4722 2722

Regards,

Quay SMSF Audits

Dear Suzanne,

RE: AUDIT MANAGEMENT LETTER

I wish to advise that the audit of the Abundance Super Fund for the year ended 30 June 2021 has recently been completed.

Auditors are encouraged by the Australian Taxation Office to issue a management letter at the completion of each audit, as a means of advising the Trustee of any matters noted during the course of the audit.

In accordance with SISA s.129, I am obligated to advise you in writing of any contravention(s) identified. My audit work involves examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report in order to form an opinion as to whether, in all material respects, the financial report is fairly stated in accordance with the accounting policies described in the notes thereto. Further, my audit work involves examination, on a test basis, of evidence supporting compliance with certain requirements of the Superannuation Industry (Supervision) Act 1993 (SISA) and the Superannuation Industry (Supervision) Regulations 1994 (SISR).

There are inherent limitations in any audit due to:

- The use of testing;
- The limitations of any internal control structure;
- The possibility of collusion to commit fraud; and
- The fact that most audit evidence is persuasive rather than conclusive.

As such my audit can only provide reasonable and not unconditional assurance that the financial statements are free from material misstatement. There is still a risk that even some material misstatement, fraud or abnormality may remain undetected. Any non-material audit adjustments identified and not corrected during our audit have been communicated with your accountant or directly to the trustees.

Management should not rely on our report to identify all weaknesses and irregularities that may exist or instances of fraud. Our comments should be read in the context of the scope of our work and findings within may have been prepared on the basis of management representations. This report has been prepared solely for your use and should not be quoted in whole or part without our prior written consent. No responsibility to any third party is accepted as the report has not been prepared and is not intended for any other use.

Matters Noted During the Course of the Audit

I would like to bring the following to your attention:

1/Reliance on Declarations

The trustee of the fund has provided the following declarations:

‘with reference to the residential properties located at:

- 58 Fishermans Parade Daleys Point NSW 2257
- 36/18 Cecilia Street Marrickville NSW 2204

‘Declare that the properties are not leased to related parties under Section 10 of the SISA, and each lease is at arm’s length terms. I further confirm that the properties were not purchased from a related party and were purchased at a market rate. No members of the fund received a personal benefit from, or had any use of, any asset owned by the Fund and all reported expenses were properly incurred by the Fund.’

Please note we have placed reliance on these declarations when forming our opinion, should the trustee become aware that any of the above information is not true and correct we request to be informed in writing as soon as possible.

2/COVID-19 Pandemic

Please note we have audited the Financial Statements at 30 June 2021.

Due to the uncertain outcomes of financial performance of assets due to COVID-19 we acknowledge the trustee has been made aware of this issue in the notes to the financial statements regarding the recoverability, value and returns of the fund assets.

This may also affect the liquidity of the fund and its ability to pay debts or pensions as and when they fall due.

The trustees should review their investments in relation to the above at regular intervals during this time.

Other Matters for your Attention

Member Account Statements

We note that we have not audited the member account statements attached to the financial report as this is outside the scope of our audit engagement. While we do complete a thorough audit of the movements in the member account during the financial year being audited, we are unable to provide an opinion as to the accuracy of historical or current year of audit member components and eligible service date information that relates to these transactions.

Conflict of Interest

In our trustee representation letter we requested to be informed of any potential, perceived or real conflict of interest.

We have not received any information regarding any conflicts of interest and have therefore placed reliance that no conflict of interest exists.

Should the trustees become aware of any conflict – potential, perceived or real – we request to be informed immediately, in writing, as our opinion may have to be modified.

Economic Loss and Recoverability of Fund Assets

We note the fund financial statements are prepared at 30 June 2021 and the market value of the fund assets are reported at that time.

Please note that we are appointed to audit the Fund's financial report and not to audit suitability, volatility, or entities where the Fund invests, therefore we are unable to determine any future economic loss or recoverability of any fund asset.

Should you wish to discuss the above or require any further explanation or assistance, please do not hesitate to contact my office on (07) 4722 2722.

Regards

PART A – FINANCIAL AUDIT

Opinion

I have audited the special purpose financial report of the Abundance Super Fund comprising Operating Statement, Statement of Financial Position and Notes to the Financial Statements as at 30 June 2021.

In my opinion, except for the effects on the financial report of the matters referred to in the Basis of Opinion section of my report below, the financial report presents fairly in all material respects, in accordance with the accounting policies described in the notes to the financial report:

The financial position of the fund at 30 June 2021 and the results of its operations for the year then ended.

Basis for Opinion

My audit has been conducted in accordance with Australian Auditing Standards (issued by the Auditing and Assurance Standards Board). My responsibilities under those standards are further described in the Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report section of this report.

I am independent of the SMSF in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to this audit and as required by the Superannuation Industry (Supervision) Regulations 1994 (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. My firm did not prepare the financial statements for the fund. Where my firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist Abundance Super Fund meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes and should not be distributed to parties other than the trustees. My opinion is not modified in respect of this matter.

Responsibilities of SMSF trustees for the financial report

Each SMSF trustee (individual trustee or director of the corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund or have no realistic alternative but to do so.

Each SMSF trustee is responsible for overseeing the fund's financial reporting process.

Approved SMSF auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of an internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I have communicated with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I may identify during the audit.

PART B – COMPLIANCE ENGAGEMENT

Opinion

I have undertaken a reasonable assurance engagement on Abundance Super Fund's compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below ("the listed provisions") for the year ended 30 June 2021.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

In my opinion, except for the matters referred to below, each trustee of Abundance Super Fund has complied in all material respects, with the listed provisions, for the year ended 30 June 2021.

Basis for Opinion

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Independence and quality control

I have complied with the independence and other ethical requirements relating to assurance engagements, and applied Auditing Standard ASQC 1 Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements / ASQM 1 Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Services Engagements in undertaking this assurance engagement. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

SMSF trustees' responsibilities

Each SMSF trustee is responsible for complying with the listed provisions and for the identification of risks that threaten compliance with the listed provisions, controls which will mitigate those risks and monitoring ongoing compliance.

Approved SMSF auditor's responsibilities

My responsibility is to express an opinion on the trustees' compliance, in all material respects, with the listed provisions, for the year ended 30 June 2021. ASAE 3100 *Compliance Engagements* requires that I plan and perform my procedures to obtain reasonable assurance about whether the trustee have complied, in all material respects, with the listed provisions for the year ended 30 June 2021.

An assurance engagement to report on the trustees' compliance with the listed provisions involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the listed provisions for the year ended 30 June 2021.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

Inherent limitations

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected.

A reasonable assurance engagement for the year ended 30 June 2021 does not provide assurance on whether compliance with the listed provisions will continue in the future.
