Calleija Jewellers is an Argyle Pink Diamonds Icon Partner. Calleija authenticates the diamond stated above as a Natural Australian Argyle Pink Diamond, mined at the Argyle Mine, Kimberley Region, Western Australia. The Argyle Mine ceased production in 2020. This diamond is rare and collectable. As such, in the event of loss, like for like replacement may not be possible and the closest comparison should be considered.

Total Value: \$1,480,000.00

Ref No: 32849

The article described above has been examined and the values given are an expression of opinion. Gemstones have not been removed from their settings for assessment and all grades and weights are approximate, unless otherwise stated. Whilst all care has been taken in producing this valuation, no liability is accepted other than to the person to whom the certificate is given for any errors or omissions, including liability to the person by reason of negligence. Values are expressed in the currency listed above and based on current market conditions. Unless otherwise specified \$ refers to Australian Dollars and £ refers to British Pounds. The value ascribed is at the date of the document for RETAIL REPLACEMENT AT CALLEIJA JEWELLERS and should not be relied upon for any other purpose. In my opinion the figures given represent the value of such items for the purpose stated.
