Dear Trustee

I, Judith Mary Pollard, request the trustee to roll back the entire balance of my transition to retirement income stream (TRIS) 1 to my accumulation account in Graeme Pollard Staff Super Fund on 21 June 2017 after receiving the minimum income stream payment and then commence an account based pension with my total accumulation account balance.

I request the trustee to then commute the entire balance of my TRIS 3 to my accumulation account in Graeme Pollard Staff Super Fund on 21 June 2017 after receiving the minimum income stream payment and then commence an account based pension with my total accumulation account balance.

I confirm that I have satisfied the retirement condition of release by ceasing a period of gainful employment at the age of 64.

Yours faithfully,

  
.....  
Judith Mary Pollard
