What is an 'estimated value'?

An 'estimated value' is a computer generated price calculated and supplied monthly by PropTrack using automated statistical models based on available local property data, including the type of property, recent sales and local price trends. It is not a price prediction and is only used as an indication of the potential value of a property. The 'estimated value' is current at the time of publication and should not be relied upon as an accurate representation of the market value of a property. realestate.com.au Pty Ltd makes no warranty as to the accuracy or reliability of the information contained in the 'estimated value' and realestate.com.au and its related entities, directors, officers and agents disclaim all liability and responsibility for any direct or indirect loss or damage which may be suffered by the recipient through relying on anything contained in or omitted from an 'estimated value'.

We encourage homeowners and property seekers to supplement this information with an appraisal from a local real estate agent.

### What is tracking?

Track your property to monitor recent sales for similar properties and receive monthly updates on its estimated value.

By telling us your relationship with the property you are tracking, we will tailor your realestate.com.au experience and the property insights we send you.

You can also track multiple properties including your primary residence and any investment properties.

We're continually improving the My Property experience to help you make better decisions, whether you're looking to buy, sell, renovate or lease out.

### Personal information collection statement

We will collect and use your personal information to give you a personalised user experience (eg. receive information about the property you are claiming by email) and to promote our services and those of select third parties. Our Privacy Policy further explains how we collect, use and disclose personal information and how to access, correct or complain about the handling of personal information.
