Dear Bradley

**RE: 2021 - 2022 TAX RETURNS**  
**Maule Family Superannuation & R E & S A Maule**

Attached is the documentation together with a USB drive for the preparation of our returns. The USB has all the bank / share statements and other transactions for our SMSF and individual returns.

Reef Palms Motel (for information): please note that the motel is under contract as of 10 March 2023, subject to finance, for a sale price of \$4,250,000. Two months has been allowed for finance approval with a further month to settlement.

**CHESS Holding Statements:**

Note I have not forwarded the CHESS statements, given they are a fairly bulky bundle and the information appears to just be a repeat of what is in the COMMSEC and NABTRADE reports. If they are needed please advise and I will send them on.

Please come back if any further information is required.

Regards,

Rod Maule
