# About your water and sewerage charges

## The standard charges explained:

### Sewerage access charge

This charge is in arrears. It is for ongoing connection and/or access to the City's sewerage transportation and treatment system.

### Sewage volume charge (multi-unit residential and non-residential property only)

A volumetric charge per kilolitre of sewage deemed to have been discharged from the property into the City's sewerage transportation and treatment system.

### Water access charge

This charge is in arrears. It is for ongoing connection and/or access to the City's water distribution system.

### Water usage charge

Water usage, as measured by your water meter, is charged per kilolitre (1000 litres). Water usage is divided into retail water and bulk water charges. If access to read your water meter was not available, water usage may have been estimated for this account based on previous use. This will be indicated on your account.

### Non-drinking water usage charge (select Pimpama-Coomera customers only)

This is a charge applicable to select Pimpama-Coomera customers only or non-drinking water usage, as measured by your purple non-drinking water meter and charged per kilolitre (1000 litres).

Visit [cityofgoldcoast.com.au/nondrinkingwater](http://cityofgoldcoast.com.au/nondrinkingwater) for further information.

Visit [cityofgoldcoast.com.au/mywaterbill](http://cityofgoldcoast.com.au/mywaterbill) to understand more about your water bill.

## How to read your water meter

Your water meter is normally located at the front of your property.

**Black numbers represent kilolitres and are used for billing.**

The red numbers on your water meter represent litres. To calculate your daily water use, please follow the instructions below.

Numbers only meter

- 1 Day one, record all numbers that you see here. Note the time of day.
- 2 Day two, repeat step 1. Conduct this reading at the same time as you did the reading on day one.
- 3 Subtract the numbers recorded on day one from day two. This is your household's daily water usage.

**Please note, if there are four red digits on the water meter, the last digit (on the far right) is a tenth of a litre. In these instances, do not record the last red digit.**

**OR**

Numbers and clock meter

- 1 Day one, record all numbers that you see here. Secondly, record numbers found here. Record the first three red dial numbers in a clockwise direction, that is, right to left. Note the time of day. **Both steps should provide you with a number similar to the diagram example 00030509.**
- 2 Day two, repeat step one. Conduct this reading at the same time as you did the reading on day one.
- 3 Subtract the numbers recorded on day one from day two. This is your household's daily water usage.

**Day one:** Record numbers from your water meter as per instructions above.

**Day two:** At the same time as day one, record numbers from your water meter as per instructions above.

\_\_\_\_ \_ L      \_\_\_\_ \_ L

Subtract the number found on day one from the number found on day two.

**This is your household's daily water usage.**

\_\_\_\_ \_ L

## Frequently asked questions

### Why can't I put wet wipes in the toilet?

Flushable wet wipes do not break down like toilet paper and human waste when flushed. They clump together and can block our sewerage network, increasing the risk of sewage overflow at your property, which could leave you with an expensive and unpleasant clean up. Regardless of what the packaging says, always bin your wipes.

For more information visit [cityofgoldcoast.com.au/pipes](http://cityofgoldcoast.com.au/pipes)

### What day will my bin be collected?

Use the online bin day finder form (residential properties only) on our City website and simply enter your street name and suburb to find your bin collection day and which is your recycling week. Waste collection services operate as usual on public holidays, but it's recommended you put your bins out the night before as collection times may differ.

For information visit [cityofgoldcoast.com.au/mybinday](http://cityofgoldcoast.com.au/mybinday)

### Why save water if Hinze Dam is near full?

While Hinze Dam and the Desalination Plant are located on the Gold Coast, it's important to remember we're part of the SEQ Water Grid with one interconnected water supply. This means drinking water is moved within the SEQ region depending on where it's needed most.

You can help protect the region by using water wisely.

Meter Number	Current Read Date	Current Reading	Previous Read Date	Previous Reading	#Days Charged	Cons (kL)
ABE35800	8 DEC 20	401	8 SEP 20	389	91	12
					<b>TOTAL(kL)</b>	<b>12</b>

**Your average daily water usage = 131 litres (or 0.131 kL)**

**Your total average daily cost = \$3.12**

**The city's average daily residential water usage = 458 litres (or 0.458 kL) per property.**

The property's water usage may be influenced by a number of factors including number of occupants, property type, property size and own water use behaviours. If you're concerned about your usage, visit [cityofgoldcoast.com.au/waterleaks](http://cityofgoldcoast.com.au/waterleaks) for instructions on how to check for concealed leaks.

In accordance with the *Local Government Act 2009*, *Local Government Regulation 2012*, *South East Queensland Water (Distribution and Retail Restructuring) Act 2009*, *Water and Wastewater Services Code for small customers in South East Queensland* and Council of the City of Gold Coast's (Council) adopted budget resolutions, all water and sewerage charges are due and payable within 31 days of the issue of the water and sewerage rate notice on which the charges are levied. Any overdue amounts will attract penalty interest at the appropriate rate until either full payment (including the interest) is made or a satisfactory payment arrangement is approved by Council.

## How to pay methods

## View and pay your water bill online

### With My Account you can:

- make payments
- download copies of your recent rates and water notices
- view your account balance
- request a direct debit or create a payment arrangement
- update your contact details.

### Having trouble paying your bills?

Eligible property owners can apply for extra time to pay rates and water bills. Find out about our range of payment plans to help you manage your budget.

Go to [cityofgoldcoast.com.au/rates](http://cityofgoldcoast.com.au/rates)

## Find a leak and fix it fast

Your quick attention to water leaks can help reduce water loss and wastage, and damage to your property.

We recommend you regularly check your water meter to detect a concealed leak early. Not all water leaks are visible. See page 2 of this bill for instructions on how to read your meter.

If you find and fix a concealed water leak, you may be eligible to apply for relief in accordance with the City's Water Leakage Relief Policy. Terms and conditions apply.

For more information visit [cityofgoldcoast.com.au/waterleaks](http://cityofgoldcoast.com.au/waterleaks)
