Important GST Information

Please note that in accordance with the GST Legislation relating to insurance premiums, the GST amount may be less than 1/11th of the total premium. This is because the total premium includes other fees and levies that are not subject to GST.

If you have indicated that you are not entitled to claim an Input Tax Credit (ITC), you should not claim the GST shown on this document. You need to contact your insurer at the above address if you wish to change your ITC entitlement.
