Mali Superannuation Fund Pty Ltd

Directors:

Lindy Jane Mason &

Mark James Mason

Date Prepared: 16/12/2021

Review Date: 16/12/2022

Overview

The aim of this strategy is to provide the members with an income on retirement.

In formulating this investment strategy, the Trustee has taken into account all of the circumstances of the fund, including:

- the risks and likely return associated with each investment;
- the range and diversity of investments held by the fund;
- any risks coming from limited diversification;
- the liquidity of the fund's investments;
- the ages and preferences of its members;
- expected cash flow requirements; and
- the ability of the fund to meet its existing and prospective liabilities such as paying benefits to its members.

Compliance

The Fund is an Australian Superannuation Fund as defined in subsection 295-95(2) of the Income Tax Assessment Act 1997 and Section 45 of the Superannuation Industry (Supervision) Act 1993 ("SIS Act").

Review & Monitoring

The Trustees will monitor and review the fund's investment activities on a regular basis and to communicate with the members should they feel that any change in strategy is necessary in order to achieve the fund's objective.

Fund Objectives

The Trustee will at all times, act prudently to maximise the rate of return, subject to acceptable risk parameters, and maintenance of appropriate diversification across a broad range of assets.

Having considered the risk profile of the fund and the member's needs and circumstances, the trustee has adopted the following objectives for the investment of assets of the fund:

- To achieve an investment return (based on market values and net of tax and charges) that exceeds the CPI by at least 3% per annum when measured over a rolling 5 year period. It is expected that the fund may incur occasional negative returns in any one year.
- To provide retirement benefit for the members. In the event of the members' death before retirement, to provide benefits for the dependents of the members; and
- To ensure that sufficient liquid assets will be available to meet payments as and when they fall due.

Risk Profile:

Member 1 – Lindy Jane Mason	Member 2 – Mark James Mason
The member is prepared to endure a reasonable level of volatility of returns in expectation of long-term growth.	The member is prepared to endure a reasonable level of volatility of returns in expectation of long-term growth.

The fund has a long-time horizon. The members are prepared to endure a reasonable level of volatility of returns in expectation of long-term growth.

Investment risk is borne by the members, as fluctuation in investment returns will affect the level of the members' benefits on withdrawal.

The Trustee has elected to purchase direct residential property using a limited recourse borrowing arrangement. The Trustee understands and is prepared to accept the increased volatility of returns associated with borrowing to invest, including the risk of total loss of invested assets where such assets are subject to limited recourse borrowing arrangements.

Diversification

The Fund is invested primarily in one real property. The Trustee recognises that the Fund is subject to a high level of property specific risks. The Trustee considers that real property is a secure investment with prospect of long-term capital appreciation while generating steady income growth.

Insurance Considerations

The Trustee has considered whether the Fund should hold a contract of insurance for its members and concluded that the members have appropriate insurance outside the fund via insurance policies directly held by the members.

MALI Superannuation Fund

Dear Trustees

MALI Superannuation Fund
Audit Engagement Letter

Objectives and Scope of the Audit

You have requested that we audit the financial statements of the SMSF for the year ended 30 June 2022. We are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

Our audit will be performed in accordance with Australian Auditing Standards, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the *Superannuation Industry (Supervision) Regulations* (SISR) with the objective of expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and the SISR.

Our Responsibilities

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error, as well as evaluating the overall presentation of the financial report.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatement may not be detected, even though the audit is properly planned and performed in accordance with Australian Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. We will, however, communicate to you in writing any significant deficiencies in internal control relevant to the audit of the financial report that we have identified during the audit.

Trustees' Responsibilities

Our audit will be conducted on the basis that the trustee(s) acknowledge and understand that they have responsibilities:

- For the preparation of the financial report that gives a true and fair view in accordance with the Australian Auditing Standards, other mandatory reporting requirements and the SIS Act and SIS Regulations is that of the trustee(s);
- For such internal control as the trustee(s) determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error; and
- To provide us with:
 - Access to all information of which the trustees are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;

- Additional information that we may request from the trustees for the purpose of the audit; and
- Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from trustees written confirmation concerning representations made to us in connection with the audit.

Australian Auditing Standards require that we determine whether the financial reporting framework applied in the preparation of this special purpose of financial report is acceptable. If we determine the financial reporting framework to be unacceptable, we will not be able to undertake the audit engagement unless the framework is amended and then determined to be acceptable.

If a qualified audit report is to be issued following the completion of our audit, we will advise the details to you in a timely manner and prior to the issue of our report.

Audit of SIS Compliance

For the year ended 30 June 2022, we are required to form an opinion in respect of compliance with certain aspects of SIS. Our report must refer to the following sections and regulations:

Sections: 17A, 35AE, 35B, 35C(2), 52, 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Report on Significant Matters

Under section 129 of the SISA we are required to report to you in writing. If during the course of, or in connection with, our audit, we become aware of any contravention of the Act or Regulations which we believe has occurred, is occurring or may occur.

We are also required to report to the ATO, as regulator, any contravention of the SISA and the SISR, where we believe the contravention may affect the interests of the members of beneficiaries of the fund.

In addition, we are also required under section 130 to report to you if we believe the superannuation fund may be, or may be about to become, in an unsatisfactory financial position. If we are not satisfied with your response as trustee(s) as to the action taken to rectify the situation or we receive no response, we are obliged to report the matter to the ATO.

A failure on the part of the trustee to rectify these breaches to the satisfaction of the ATO may result in significant penalties to the trustee and the fund itself.

In addition to our report on the financial statements, we will also report to you any material weaknesses in the fund's system of accounting and internal control which come to our notice during the course of our audit.

Quality Control

The conduct of our audit in accordance Australian Auditing Standards means that information acquired by us in the course of our audit is subject to strict confidentiality requirements.
