This guide should be read in conjunction with the Australian Taxation Office's (ATO's) instructions and publications. The comments contained in this guide do not constitute legal, tax or financial planning advice. They are general in nature, offered on an informative basis only and are not intended to cover all of the potential tax consequences in relation to a particular unitholder. Certain items discussed in this guide may not apply to certain unitholders (for example, due to the unitholder's residency, entity type or some other factor).

The Fund is an Attribution Managed Investment Trust (AMIT) for the year ended 30 June 2022. Your AMMA Statement includes amounts attributed to you from the Fund relating to the year ended 30 June 2022. You may be required to include these amounts in your tax return for the 2022 financial year.

This AMMA Statement is prepared for an Australian resident individual investor who holds units in the Fund on a capital account. Unitholders should seek professional taxation advice in relation to this AMMA statement.

Part A - Your details

Part A are the details you provided and reported at the time this statement was generated.

Part B - Tax return information

Part B is a summary of the amounts attributed to you from the Fund that are relevant for the completion of your 2022 tax return. Depending on your circumstances, you may be able to copy the amounts from Part B of this AMMA statement to your corresponding labels of the Tax Return (Supplementary Section) 2022. The breakdown of the components is shown in Part C of your AMMA statement.

Part C - Component of attribution

This section of your AMMA Statement gives you a detailed breakdown of the cash paid to you and the amounts attributed to you. The information in Part C of your AMMA Statement may be required for you to complete other parts of your income tax return.

1. Australian income

The details provide a breakdown of Label 13U Non-primary production income and Label 13C Franked distributions from trusts. This information may be necessary for those investors who use the Application for refund of franking credits for individuals during 2022.

2. Capital gains

Capital gains discount - Taxable Australian Property (TAP) and Non-Taxable Australian Property (NTAP)

The capital gains tax (CGT) discount is generally available for gains on the disposal of investments that have been held for at least 12 months. These items are that part of the Fund's net capital gain that represents discount capital gains paid and attributed to you. Resident individuals and trusts (conditions apply) may be eligible for a 50% CGT discount and resident complying superannuation funds may be eligible for a 33.33% CGT discount. Companies are not eligible for the CGT discount.

Capital gains other - Taxable Australian Property (TAP) and Non-Taxable Australian Property (NTAP)

These items are capital gains paid and attributed to you in relation to the disposal of investments held by the Fund which are held for less than 12 months. The CGT discount is not available in relation to such gains.

Net capital gains

This amount represents the taxable capital gains which is the sum of the capital gains (discounted and other methods) and any foreign tax paid on capital gains.

AMIT CGT gross up amount

This item shows the additional amount treated as capital gains of a unitholder under ss 276-85(3) and (4) of the Income Tax Assessment Act 1997 (ITAA 1997), and is included in the AMIT cost base increase amount under s104-107E of the ITAA 1997. This amount is equal to the sum of the attribution column for Capital gains discount - Taxable Australian Property (TAP) and Capital gains discount - Non-Taxable Australian Property (NTAP).

Other capital gains distribution

Other capital gains distributions are shown in the Cash distribution column to represent the total amount of cash distributed in relation to all capital gains, other than the amounts already shown in the Cash distribution columns for Capital gains discount - NTAP & TAP and Capital gains other - NTAP & TAP.

3. Foreign income

The Foreign income section includes all foreign income except foreign capital gains. Foreign tax paid on foreign income (other than foreign capital gains) is also shown here.

4. Other non-assessable amounts and cost base details

Other non-assessable amounts have been divided into three categories depending on the nature of the amount. These amounts may not be immediately assessable for income tax purposes and may not be required to be included in your tax return. However, they may be relevant when determining any adjustment to the cost base of your unit holding and may be relevant in working out your gain/loss at the time you dispose of your units in the Fund.

Other non-attributable amounts

Other non-attributable amounts are cash distributions paid to you that exceed the attribution amount, to the extent they are not already shown in other components. These amounts are reflected in the calculation of the AMIT cost base net amount - excess or shortfall. It does not include Other capital gains distributions which are shown at the capital gains section.

AMIT cost base net amounts

Under the AMIT regime you are required to adjust your cost base of your units as follows:

AMIT cost base net amount - excess (decrease). You must reduce the cost base and reduced cost base of your units in the Fund by the AMIT cost base net amount - excess. A capital gain may also arise if your AMIT cost base net amount - excess is greater than your cost base of your units in the Fund.

AMIT cost base net amount - shortfall (increase). You must increase the cost base and reduced cost base of your units in the Fund by the AMIT cost base net amount - shortfall.

Dear Investor

2022 Attribution Managed Investment Trust ("AMIT") Member Annual Statement ("AMMA Statement")

Please find enclosed your Attribution Managed Investment Trust ("AMIT") Member Annual Statement ("AMMA Statement") in respect of your investment in the Platinum Trust Funds ("Funds"). If you are invested in more than one Fund, we have for convenience also enclosed a summary report which consolidates the AMMA Statements.

The distribution amount attributed to you is primarily influenced by the:

- level of realised gains made on equities; and
- level of realised gains made on derivative contracts (including currency hedging contracts).

Some further information is provided below on the components titled "Australian Source Income", "Foreign Source Income" and "Capital Gains - NTAP", which may appear on the AMMA Statement:

Australian Source Income:

- a) Franked Dividends - represents franked dividend income after allocation of deductions. The franking credit tax offset amount is the amount of franking credits excluding any deductions. Franked dividend income may be less than the franking credit tax offset due to deductions.
- b) Other Income - includes gains relating to derivative contracts.

Foreign Source Income:

- c) Foreign Source Income - includes non-AUD interest, dividends and gains relating to derivative contracts.

Capital Gains - Non-Taxable Australian Property (NTAP):

- d) Other - represents capital gains realised on assets disposed of and not held for more than 12 months.
- e) Discount - represents 50% of the capital gains on disposal of assets that have been held for more than 12 months.
- f) Other Capital Gains Distribution - represents the total amount of cash distributed in relation to all capital gains not already reflected in the capital gain amounts above.
- g) AMIT CGT Gross Up Amount - the gross up of the Discount Capital Gains.
- h) Offset for Capital Gains - NTAP - capital gains tax may be applied by foreign tax authorities on disposals of investments held in the relevant foreign jurisdiction. Where such amounts are applied, investors may be entitled to a foreign income tax offset in respect of the taxes paid. Such tax offsets have been recorded against capital gains - NTAP in the AMMA Statement.

The tax treatment of capital gains and losses is complex, and how it applies to you will depend on the type of taxpayer that you are (e.g. an individual, superannuation fund, trust or company) and your specific tax circumstances.

If you elected the 'fixed cash distribution' option*, a Fixed Cash Distribution Summary is enclosed and sets out how this option was applied to your distribution.

We have also prepared some information in relation to the completion of your 2022 tax return. The information is enclosed with this letter and your AMMA Statement. The information has been prepared with only Australian tax resident individuals in mind and assumes that the Platinum Trust Funds are your only investment. It is not relevant for superannuation funds, trusts or corporations. Neither this letter nor the additional information, constitute taxation advice or any other professional advice. Platinum strongly recommends that you obtain professional advice from an accountant or tax adviser regarding the completion of your 2022 tax return and your particular tax circumstances.

Please also note that if you withdrew any units in one or more of the Funds during the period 1 July 2021 to 30 June 2022, you will shortly receive a separate Withdrawal Capital Gains Tax (CGT) Statement showing a summary of your capital gains and losses for the 2022 financial year.

If you have further questions, please contact Platinum's Investor Services on 1300 726 700 (Australia only), 02 9255 7500 or email, invest@platinum.com.au

Yours faithfully

Andrew Clifford

INFORMATION REGARDING THE COMPLETION OF YOUR 2022 TAX RETURN - ONLY FOR INDIVIDUAL AUSTRALIAN TAX RESIDENTS

This information assumes you are an individual Australian tax resident. This information is not relevant if you are a corporation, superannuation fund or trust. This information makes a number of assumptions, including that the Platinum Trust Funds are your only investment. These assumptions may not be relevant to you.

When completing your tax return for the 2021/2022 financial year, you should read the ATO's 'Individual tax return instructions 2022' and 'Individual tax return instructions supplement 2022'. You should also refer to the ATO guides 'Guide to capital gains tax 2022', 'Personal investors guide to capital gains tax 2022', 'Foreign income return form guide 2022' and 'Guide to foreign income tax offset rules 2022'.

Additional Capital Gains Tax Information

The references to the AMMA Statement to "Other Capital Gains Distribution - NTAP" and "AMIT CGT Gross Up Amount", refer to the non-taxable amounts of the Capital Gains. Neither of these are disclosed in your tax return.

¹ The 'Other Net Foreign Source Income' is derived by taking the amount in 20E 'Assessable Foreign Source Income' and deducting any expenses applied against the 'Assessable Foreign Source Income'. It assumes that you have no deductible expenses to apply against the 'Assessable Foreign Source Income'. As a result, 'Other Net Foreign Source Income' is the same as the 'Assessable Foreign Source Income'.

If you have deductible expenses applied against the 'Assessable Foreign Source Income' you should follow the instructions in the 'Individual tax return instructions supplement 2022'.

If you have derived foreign income or losses from other sources, the above amounts should be adjusted in order to take such additional income or losses into account.

² The amount of 'Foreign Income Tax Offsets' you are entitled to will depend on the amount of foreign tax offsets you have received from all sources. If the amount does not exceed \$1,000, you should be entitled to an offset for the full amount received. If the amount is more than \$1,000 you should do one of the following:

* simply claim a tax offset of \$1,000; or

* calculate the amount of foreign income tax offset to which you are entitled. Refer to the ATO publication 'Guide to foreign income tax offset rules 2022'.

³ It is assumed that you have no brought forward Capital Losses and no other Capital Gains Tax (CGT) events such as sale of shares, sale of units in managed funds or distributions from managed funds in the 2021/2022 financial year.

If this is not the case and you are an individual Australian tax resident, you should refer to the ATO publications 'Guide to capital gains tax 2022' and 'Personal investors guide to capital gains tax 2022' for guidance on calculating your gross capital gain and net capital gain or loss for the 2021/2022 financial year.
