We have registered you on the Australian Business Register

Dear Sir/Madam

Your Australian business number (ABN) is **17 523 820 945**.

Your ABN registration is effective as of 20 June 2017.

Please check that the enclosed ABN details recorded for your business or organisation are correct and advise us if they are not.

Your obligations

You're legally required to ensure your ABN details are kept up-to-date and you must notify the Registrar of any changes to your details within 28 days.

If you have an AUSKey you can update your ABN details online. AUSKey is a secure login that identifies you when you use participating government online services for business. If you don't have an AUSKey, but would like to register for one, go to **www.abr.gov.au/auskey**

For more information about connecting your ABN to your myGov account and using your myGov details to access government services for business, go to **www.ato.gov.au/ABNconnect**

Alternatively, you can update your details by contacting us on **13 92 26** between 8.00am and 6.00pm, Monday to Friday.

The Registrar will periodically review your ABN registration. Where there is evidence that you're no longer entitled to hold an ABN your registration will be cancelled. Evidence of entitlement could include declaring business income in your income tax returns, and/or lodging activity statements within two years of your ABN registration.

If you've indicated that you require endorsement as a deductible gift recipient, income tax exempt fund or tax concession charity, an application will be sent to you shortly.
