Our Product Disclosure Statement

This policy document is also a Product Disclosure Statement (PDS). A PDS is a document required by the Corporations Act and contains information designed to help you decide whether to buy the policy.

Understanding your policy and its important terms and conditions

To properly understand this policy's significant features, benefits and risks you need to carefully read:

- about each of the available types of cover and benefits in the relevant sections, including any endorsements (remember certain words have special meanings – see the "Introduction" section);
- "When we will not pay a claim under your policy" section (this restricts the cover and benefits);
- "Conditions of cover" and "Making a claim" sections (these set out certain obligations that you and we have. If you do not meet them we may be able to refuse to pay a claim); and
- "Other information" section (this contains important information on Your Duty of Disclosure, our Privacy policy and our Dispute Resolution process).

When you apply for the policy by completing our application we agree with you on things such as: the period of insurance; your premium; what property you want to cover; the limits you want for certain covers (if optional); excesses that will apply to you or others and whether any standard terms need to be varied (this may be by way of an endorsement). These details are recorded in the schedule we issue to you.

The base premium we charge varies according to your risk profile (e.g. the location of the property, the type of property being insured, the amount of cover required, optional additional covers selected and relevant claims history etc).

In some cases discounts may apply if you meet certain criteria we set. You will also have to pay any compulsory government charges (e.g. Stamp Duty and GST) and Fire Services Levy (where applicable) plus any additional charges we tell you of. In some cases a service fee will apply where you pay your premium by instalments. We tell you the total amount payable when you apply and if you effect cover, the amounts due will be confirmed in your schedule.

If you pay your premium by instalments refer to the "Conditions of cover" section for important details on your and our rights and obligations. Note that an instalment premium outstanding for 14 days may result in our refusal to pay a claim.

This policy sets out the cover we are able to provide you with. You need to decide if the limits, type and level of cover are appropriate for you and will cover your potential loss. If they are not, you may be underinsured and have to bear part of any loss you are not covered for yourself. To avoid this, people seek to set the sum insured for the relevant property being insured at its estimated replacement value.

You should also read the GST Notice to understand how GST is applied to a claim.

If you have any queries, want further information about the policy or want to confirm a transaction, please use the contact details on the back cover.

Cooling off period and cancellation rights

Even after you have decided to purchase this policy, you have a cooling off period and cancellation rights (see “Cooling off and cancellation rights under the policy” on page 47 for details).

Updating the PDS

We may need to update this PDS from time to time. We'll do this if certain changes occur, and we are required and permitted by law to do so.

We will issue you with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases.

Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, we may issue you with notice of this information in other forms or keep an internal record of such changes. You can get a paper copy of any changes free of charge by contacting us using the contact details on the back of this PDS.

Introduction

Welcome and thank you for choosing Allianz, one of Australia's largest general insurers. We utilise years of local expertise, combined with global experience to offer a range of highly featured products and services to our customers. As members of the worldwide Allianz Group, we are committed to continuous improvement of our products and services and strive to achieve this through knowledge transfer within the Group, dedicated technical research units, sharing globally new product developments and a wide range of risk management services. We also aspire to industry best practice procedures in all aspects of our business, so you can relax knowing the power is on your side.

What the policy consists of

Your policy consists of:

- this Product Disclosure Statement and Policy Document (PDS). The PDS is designed to provide information about the policy, to help you decide if it's what you need. We are required to provide a PDS under the Corporations Act;
- your Policy Schedule. Your policy schedule sets out who is insured, the cover(s) selected, the period of insurance, the premium payable, sums insured, limits of liability, excesses and other important information;
- any Supplementary PDS that applies. If we vary the PDS, we may issue a Supplementary PDS with the changes; and
- any other policy documents we specify. We may issue other documents that vary or modify the policy.

The policy provides a number of covers which may or may not be provided to you as a retail client under the Corporations Act 2001 (Cth) depending on your circumstances. Only the parts of the policy document relevant to cover provided to you as a retail client and any other documents which we tell you are included, make up the PDS for the purposes of the Act.

This PDS (together with any amendments, updates or endorsements that we give you in writing which may vary it) will also apply for any offer of renewal we make, unless we tell you otherwise or issue you with a new and updated PDS.

You should carefully read and retain your insurance policy document and current schedule. These documents should be read together as they jointly form the contract of insurance

between you and us. Any new or replacement schedule we may send you, detailing changes to your insurance or the period of insurance, will become the current schedule, which you should carefully read and retain.

General Advice Warning

It is up to you to choose the cover you need. Because we and our representatives do not advise you on whether this policy is specifically appropriate for your objectives, financial situation or needs, you should carefully read this document before deciding.

Our agreement with you

We will insure you for:

- loss or damage caused by one or more of the insured events;
- the other benefits; and
- any optional additional cover(s) you have selected,

as set out in this policy occurring during the period of insurance.

This cover will be given on the basis:

- that you have paid or agreed to pay us the premium for the cover you selected when you applied for cover and which the current schedule indicates is in force; and
- of the verbal and/or written information provided by you which you gave after having been advised of your Duty of Disclosure either verbally or in writing. If you failed to comply with your Duty of Disclosure, we may be entitled to reduce our liability under the policy in respect of a claim and/or we may cancel your policy. If you have told us something which is fraudulent, we also have the option of cancelling your policy from the effective date stated in the current schedule.

We only cover those parties shown in the schedule unless otherwise stated in the relevant policy section as being a person entitled to cover.

For your assistance we have provided a full explanation of your Duty of Disclosure and the consequences of non-disclosure, under the heading "Your Duty of Disclosure" on pages 52 to 53.

How we will settle your buildings claim

1. At our option, we will:
 - a. repair or rebuild the damaged part of your building to the same condition as when it was new; or
 - b. pay you the reasonable cost of repairing or rebuilding any damaged part of your building to the same condition as when it was new.
 - c. pay you up to the amount of the sum insured shown in the current schedule for your relevant buildings.

We will adjust your claims payment in accordance with the GST provision noted under "Conditions of cover", "GST Notice" on page 48.

If we pay you the reasonable cost of repairing or rebuilding, this means the cost of repairing or rebuilding less any discounts available to us were we to repair or rebuild.

2. When it is not possible to use original materials during the repair or rebuilding process, the nearest available equivalent to the original materials will be used. We will not pay to repair or rebuild property which has not been physically damaged.

3. Unless we have agreed in writing, repair or rebuilding of your buildings must commence within six months of the loss or damage. If repair or rebuilding of your buildings is not commenced within six months of the loss or damage or any extended period to which we have previously agreed in writing, we will not be liable for any costs beyond the repair or rebuilding costs as at the date the loss or damage occurred.

4. If we have chosen to repair or rebuild your damaged building and you do not wish to repair or rebuild then, we will at our option:
 - a. pay you the reasonable cost to repair or rebuild your damaged buildings less an amount for depreciation based on the age and condition of the buildings; or
 - b. pay you the value of the land and buildings at the risk address immediately prior to the occurrence of the loss or damage less the value of the land and buildings immediately after the loss or damage occurred.

5. Rebuilding may be carried out on another site in the same vicinity provided that we agree in writing.

6. If the claim relates to loss or damage to fixed wall, floor or ceiling coverings, repair or replacement is limited to the room, hall or passage in which the loss or damage actually occurred.

7. If the claim relates to loss or damage to a dividing fence we will only pay half the cost of repairing the fence.

-
8. If the claim is for gates, fences or freestanding walls damaged or destroyed as a result of storm, rainwater or run-off, we will deduct an amount from any claim settlement for depreciation based on their age and condition.

 9. In no case will we pay more than the sum(s) insured shown in the current schedule (less any excess[es] which may be payable) unless we have stated differently under "Insured events we will pay" on pages 19 to 26, "Other benefits we will provide" on pages 27 to 38 or "Optional additional covers" on pages 39 to 42.

 10. If you are entitled to use bond monies to settle or reduce any loss or damage you must do so. - charge you additional premium; and/or
- decide not to offer to renew your policy.

2. Buildings not lived in for more than 60 days

If the buildings have not or will not be lived in for any period in excess of 60 consecutive days, we will not pay for loss or damage caused by any of the following insured events unless you have our prior agreement in writing:

This condition does not apply to “Strata Title Mortgage Protection” described on pages 41 to 42.

- maintain your buildings in good repair;
- effectively secure tarpaulins on buildings which are undergoing renovation where the area undergoing renovation would otherwise be exposed to the effects of the weather; and
- secure your buildings against unauthorised entry whenever the risk address is left unattended by you or any other person.

4. Property inspection reports

You must complete a property inspection report or have your authorised real estate agent or a qualified appraiser complete it:

- at the time when a new lease or rental agreement commences;
- at the time when an existing tenant vacates the property; and/or
- at least on an annual basis if there is long term tenancy.

In the event of a claim we will require copies of the property inspection reports.

5. Cooling off and cancellation rights under the policy

a. You may cancel or return this policy at any time by contacting us. If you cancel your policy within 14 days from either:

- the date we issued you a new policy, or
- the start date of a policy that you have renewed,

(this is known as a “cooling off period”) then in either of these situations, provided you have not made a claim or an event has not occurred that could give rise to a claim on your policy, we will refund your premium. We may deduct from your refund amount any reasonable administrative and transaction costs incurred by us that are reasonably related to the acquisition or termination of your policy and any government taxes or duties we cannot recover.

b. We have the right to cancel this policy where permitted by law. For example, we can cancel:

- if you have failed to comply with your Duty of Disclosure;
- where you have made a misrepresentation to us during negotiations prior to the issue of this policy;
- where you have failed to comply with a provision of your policy, including the term relating to payment of premium;
- where you have made a fraudulent claim under your policy or under some other contract of insurance that provides cover during the same period of time that our policy covers you; or
- where we agree to accept payment of premium by periodic instalment and at least one

instalment remains unpaid in excess of one month from the date on which it was due and payable.

- c. After the cooling off period has ended, if you or we cancel the policy we may deduct a pro rata proportion of the premium for time on risk, reasonable administrative costs related to the acquisition and termination of the policy and any government taxes or duties we cannot recover.
- d. In the event that you have made a claim under this policy and we have agreed to pay the full sum insured for your property no return of premium will be made for any unused portion of the premium.

6. Non payment of premium by instalments – Right to refuse a claim

Where you pay your premium by instalments, you must ensure they are paid on time because if one instalment has remained unpaid for a period of at least 14 days, we may refuse to pay a claim. We will notify you if an instalment has not been paid.

7. Keeping evidence of the value and ownership of the insured property

You should keep evidence of the value and ownership of all property covered under your insurance policy. Receipts and/or valuations prove the value of your insured property.

Photographs and instruction books will help provide evidence of your ownership in the event of a claim.

8. Premium payment by direct debit

You may have chosen to pay the premium for this insurance by direct debit from a financial institution holding your account. If you choose this option, the financial institution may dishonour the direct debit payment due to lack of funds in your account. If this occurs, we will charge you for any direct and indirect costs which we incur arising from the payment being dishonoured.

9. GST Notice

This policy has a GST provision in relation to premium and our payment to you for claims. It may have an impact on how you determine the amount of insurance you need. Please read it carefully. Seek professional advice if you have any queries about GST and your insurance.

Sums insured

All monetary limits in this policy may be increased for GST in some circumstances (see below).

Claim settlements – Where we agree to pay

When we calculate the amount we will pay you, we will have regard to the items below:

- Where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the policy) we will pay for the GST amount.
We will pay the GST amount in addition to the sum insured/limit of indemnity or other limits shown in the policy or in this schedule.
If your sum insured/limit of liability is not sufficient to cover your loss, we will only pay the GST amount that relates to our settlement of your claim.
We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled.
- Where we make a payment under this policy as compensation instead of payment for a relevant acquisition, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to had the payment been applied to a relevant acquisition.
- Where the policy insures business interruption, we will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by your business that is relevant to your claim.

Disclosure – Input Tax Credit Entitlement

If you register, or are registered, for GST you are required to tell us your entitlement to an input tax credit on your premium. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we may pay. This policy does not cover you for this GST liability, or for any fine, penalty or charge for which you may be liable.

10. Governing Law

All disputes arising out of or under the policy shall be subject to determination by any court of competent jurisdiction within, and in accordance with the laws of the State or Territory where the policy is issued.

Claims

What you must do

We may not pay your claim in whole or in part if you do not act as follows:

1. Do not admit liability

You must not:

- a. admit guilt or liability, or make a promise or offer of payment in connection with any claim; or
- b. offer or agree to settle any claim, without our prior written consent.

We are entitled to take over and conduct the defence of any claim made against you for damages by a third party. We have full discretion in conducting any negotiations, proceedings and the settlement of claims.

If the claim is for legal liability, you may make a written request to us to agree that you are covered in respect of the claim.

2. Prevent further damage

You must take all reasonable precautions to prevent any further loss, damage or liability.

3. Contact the police

Inform the police immediately of any malicious acts, theft, attempted theft, burglary or housebreaking or loss of insured property.

4. Keep evidence of the loss or damage

You must keep evidence of any loss or damage to your insured property. You must not authorise any repairs or replacement unless they are urgently necessary for the sole purpose of you preventing further loss, damage or liability from occurring and you are unable to contact us.

5. Contact us as soon as possible

If there is any loss, liability, injury or damage which is likely to result in a claim, you must give us immediate notice of the full details of any loss, anticipated or alleged liability, injury or damage. You or your representative must give us full details in the manner we request which will be either:

- a. in writing by completing our claim form which will be supplied to you when you contact us; or
- b. verbally.

You must also:

- provide us with any original receipts, proof of ownership or quotes we require to settle your claim;
- provide us with any information we may reasonably require (including a copy of the current lease, proof of any bond held, notices provided to tenants and confirmation from your agent that you are actively seeking to re-lease your buildings) in the event your claim is for loss of rent, malicious acts or any other claim involving your tenant;

- inform us if your property is insured under any other policy; and
- give us immediate notice of the commencement of any legal proceedings against you.

What happens after you make a claim

1. Assist us with your claim

You must assist us with your claim. This means give us all the information and assistance with your claim which we may reasonably require. If you do not we may not pay your claim or provide cover. If we have the right to recover any amount payable under this policy from any other person, you must co-operate with us in any action we may take.

2. End of cover following a total loss claim

If we accept a claim and pay an amount which:

- a. is equal to or greater than the total sum insured for any single part of the policy on the insured property; or
- b. is sufficient to pay you for the total loss or destruction of all the insured property under a single part of the policy, cover under that particular part of the policy will end.

3. Payment of unpaid premium following a total loss claim

If we accept your claim and pay you the total sum insured for your property:

- a. the amount of any unpaid premium for the period of insurance will be deducted from the amount payable to you,
- b. where we replace or rebuild the property, you must pay us the balance of any unpaid premium or instalments for the period of insurance.

4. Our rights of recovery

We have the right to recover from any person the amount of any claim payable to you under this policy and we will have full discretion in the conduct, settlement or defence of any claim in your name. If we recover more than the amount we paid to you on your behalf, we will pay you the balance.

5. GST

We may adjust your claims payment in accordance with the GST provision detailed under "Conditions of cover", "GST Notice" on page 48.

Other information

Renewal procedure

Before this policy expires we will normally offer renewal by sending a renewal invitation advising the amount payable to renew this policy. You should carefully check the details contained in your renewal invitation. These details are the terms and conditions that apply to your policy, including but not limited to:

- the names of the people who are insured;
- the address of the property insured;
- any excess which you must pay towards the cost of a claim; and
- the sum(s) insured.

Prior to sending your renewal invitation we'll automatically increase the cover amount (the sum(s) insured), to help it keep pace with inflation and rising costs. We recommend that you check the new amounts to make sure they continue to cover your full replacement values. If you don't want us to increase the sum(s) insured, just let us know.

It is important that you check the sum(s) insured before renewing each year to satisfy yourself that they continue to represent current full replacement values.

Your Duty of Disclosure

Before you enter into this insurance with us, you have a duty of disclosure under the Insurance Contracts Act 1984.

The Act imposes a different duty the first time you enter into a contract of insurance with us to that which applies when you vary, extend, reinstate or replace the contract.

It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the contract.

Your Duty of Disclosure when you vary, extend, or reinstate the contract

When you vary, extend, or reinstate the contract with us, your duty is to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

What you do not need to tell us

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by us; or

- that is of common knowledge; or
- that we know or, in the ordinary course of our business as an insurer, ought to know; or
- as to which we have waived your duty of disclosure.

Non-disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the contract in respect of a claim, cancel the contract or both.

If your non-disclosure is fraudulent, we may also have the option of avoiding the contract from its beginning.

To find out these limits you need to read the PDS and other relevant policy documentation.

Excesses

If you make a claim, the excess is the amount you may have to pay for each incident. A number of different excesses may apply in respect to this policy, for example a basic excess and an earthquake excess. You may be able to increase these excesses to lower your premium. For more detail, please read the PDS and other policy documentation.

Legal liability

This policy covers your legal liability when you are found to be legally responsible for damage or personal injury to a third party or their property. It is limited to \$10,000,000. You should read the PDS carefully to determine the extent of this cover.

Cooling off period

Maximum level of cover offered by insurers

Insurers offer different maximum levels of cover in the event of the loss or destruction of your home including where:

- you set the maximum level of cover and your payout is limited to that amount* (*Sum insured*).
- you set the maximum level of cover and the insurer may provide you with some agreed extra cover above that amount (*Sum insured plus safety net*).
- the insurer will cover all the reasonable costs to rebuild your home (*Total replacement*).

Step 3 Other things to consider

Limits

This policy has restrictions that limit your cover for certain events and items, for example under flood cover (where applicable), we will only pay for loss or damage caused by soil movement including erosion, landslide, mudslide or subsidence, if it is directly caused by and occurs within 72 hours of the flood. To find out these limits you need to read the PDS and other relevant policy documentation.

Excesses

If you make a claim, the excess is the amount you may have to pay for each incident. A number of different excesses may apply in respect to this policy, for example a basic excess and an earthquake excess. You may be able to increase these excesses to lower your premium. For more detail, please read the PDS and other policy documentation.

Legal liability

This policy covers your legal liability when you are found to be legally responsible for damage or personal injury to a third party or their property. It is limited to \$10,000,000. You should read the PDS carefully to determine the extent of this cover.

Cooling off period

If you decide you don't want this policy at any time after it is issued and you haven't made a claim, you can cancel it and receive a refund (subject to deductions permitted by law).

Maximum level of cover offered by insurers

Insurers offer different maximum levels of cover in the event of the loss or destruction of your home including where:

- you set the maximum level of cover and your payout is limited to that amount* (*Sum insured*).
- you set the maximum level of cover and the insurer may provide you with some agreed extra cover above that amount (*Sum insured plus safety net*).

When working out how much cover you need for your contents, ensure that you value your possessions correctly. To do this you could start by listing all your contents and working out how much it would cost to replace them.

A failure to adequately insure your contents for their replacement value may result in underinsurance.

Warning: this Key Facts Sheet sets out some of the conditions, exclusions and limits in respect to this policy. You should read the PDS and all policy documentation for all the conditions, exclusions and limitations of this policy that limit or exclude cover.
