To the SMSF trustees

of the IAN FLEISIG SUPERANNUATION FUND

Part A: Financial report

Approved SMSF auditor's Opinion

I have audited the special purpose financial report of the IAN FLEISIG SUPERANNUATION FUND comprising:-

1. Statement of financial position as at 30th June 2021,
2. Operating statement,
3. Notes to the financial statements, significant accounting policies and other explanatory notes

for the year ended 30 June 2021.

In my opinion, the financial report presents fairly in all material respects, in accordance with the accounting policies described in the notes to the financial report, the financial position of the fund at 30 June 2021 and the results of its operations for the year then ended.

Basis for Opinion

My audit has been conducted in accordance with Australian Auditing Standards.¹ My responsibilities under those standards are further described in the Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report section of this report. I am independent of the SMSF in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)(the Code) that are relevant to this audit and as required by the Superannuation Industry (Supervision) Regulations 1994 (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. My firm or network firm did not prepare the financial statements for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter - Basis of accounting

I draw attention to note of the financial report, which describes the basis of accounting. The financial report has been prepared to assist IAN FLEISIG SUPERANNUATION FUND meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes and

¹The Australian Auditing Standards issued by the Auditing and Assurance Standards Board.

should not be distributed to parties other than the trustees. My opinion is not modified in respect of this matter.

Responsibilities of SMSF trustees for the financial report

Each SMSF trustee (individual trustee or director of the corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund or have no realistic alternative but to do so.

Each SMSF trustee is responsible for overseeing the fund's financial reporting process.

Approved SMSF auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of an internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as

a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I have communicated with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I may identify during the audit.

Part B: Compliance Engagement

Approved SMSF Auditor's Qualified Opinion

I have undertaken a reasonable assurance engagement on IAN FLEISIG SUPERANNUATION FUND's compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below ("the listed provisions") for the year ended 30 June 2021.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67,67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA

In my opinion, except for the matter(s) referred to below each trustee of IAN FLEISIG SUPERANNUATION FUND has complied in all material respects, with the listed provisions, for the year ended 30 June 2021.

Basis for Qualified Opinion

The following are reasons giving rise to the qualified opinion:

1) Trustees did not provide the Cocky Smart Trust documents in a timely and professional manner. S35C(2) of the SISA has been breached.

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 Compliance Engagements issued by the Auditing and Assurance Standards Board.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Independence and quality control

I have complied with the independence and other ethical requirements relating to assurance engagements, and applied Auditing Standards *ASQC 1 Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements / ASQM 1 Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Services Engagements* in undertaking this assurance engagement. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

SMSF trustees' responsibilities

Each SMSF trustee is responsible for complying with the listed provisions and for the identification of risks that threaten compliance with the listed provisions, controls which will mitigate those risks and monitoring ongoing compliance.

Approved SMSF auditor's responsibilities

My responsibility is to express an opinion on the trustees' compliance, in all material respects, with the listed provisions, for the year ended 30 June 2021. ASAE 3100 *Compliance Engagements* requires that I plan and perform my procedures to obtain reasonable assurance about whether the trustee have complied, in all material respects, with the listed provisions for the year ended 30 June 2021.

An assurance engagement to report on the trustees' compliance with the listed provisions involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with those requirements of the listed provisions for the year ended 30 June 2021.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

Inherent limitations

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected.

A reasonable assurance engagement for the year ended 30 June 2021 does not provide assurance on whether compliance with the listed provisions will continue in the future.

The Trustee,
IAN FLEISIG SUPERANNUATION FUND

Dear Sir / Madam,

I wish to advise that I have conducted an independent audit of the financial report of IAN FLEISIG SUPERANNUATION FUND for the year ended 30 June, 2021 in order to express an opinion on it.

I have complied with the ethical responsibilities and independence requirements in accordance with the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) as required by the SISR.

Auditors are encouraged by the Australian Taxation Office to issue management letters at the completion of each audit as a means of advising the trustee of any matters noted during the course of the audit.

Audit Procedure

My audit has been conducted in accordance with Australian Auditing Standards. My assurance engagement to report on the fund's compliance with the applicable requirements of the SISA and the SISR involved performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements.

My audit work comprises of examination of evidence supporting the amounts and other disclosures in the financial report, on a test basis, in order to form an opinion as to whether, in all material respects, the financial report is fairly stated in accordance with the accounting policies described in the notes thereto.

Audit Methodology

My audit team applied Australian Standard on Quality Control 1 ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement.

My audit work involved examination, again on a test basis, of evidence supporting compliance with requirements of the Superannuation Industry (Supervision) Act 1993 and the Superannuation Industry (Supervision) Regulations 1994 ("SIS"). These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified in the audit report.

My audit of financial statements was to evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures and to evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

Internal Controls, Materiality & Reasonable Assurance

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

I exercise professional judgment and maintain professional scepticism throughout the audit. My audit work also involved the review and obtain an understanding of internal controls and systems in order to design my audit plan and procedures that are appropriate in the circumstance. Accordingly, my examination may not have identified all the weaknesses that may exist in the fund.

My audit objective was to obtain, reasonable assurance about whether the financial report as a whole is free from material misstatement and identify and assess the risks, whether due to fraud or error of any material misstatement. I designed and performed audit procedures in response to those risks, and obtained audit evidence that were sufficient and appropriate to provide a basis for my opinion.

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with audited provisions of SISA & SISR may occur and not be detected.

Going Concern

My audit procedure included appropriate use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern.

My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.

Member Statements

I note that the member statements attached to the financial report have not been audited, as this is outside the scope of our audit engagement. Whilst I do complete an audit of the movements in the member account during the financial year being audited, I am unable to provide an opinion as to the accuracy of historical components and eligible service date information that relates to transactions that have occurred in prior years.

Conclusion

I advise that the following matters were encountered during the course of my audit that I believe should be brought to your attention:

1) Trustees did not provide the Cocky Smart Trust documents in a timely and professional manner. S35C(2) of the SISA has been breached.

I am also obliged by Section 129 & 130 of SIS Act to report any contravention to the Australian Taxation Office and a separate notice under Section 129 to you, listing the contraventions which I have alerted the Australian Taxation Office. I have drafted my contravention report to the Australian Taxation Office, please also find attached notice under Section 129 of SISA to you.

Should you wish to discuss anything regarding the above, please do not hesitate to contact the undersigned.

Yours sincerely

Roddy LIU SSAud FCPA (SMSF Specialist)
