WE'RE REMINDING YOU ABOUT INFORMATION REGARDING YOUR ANZ BUSINESS VISA DEBIT CARD

We wanted to remind you about what to do if you need to dispute a transaction on your ANZ Business Visa Debit card.

WHAT YOU NEED TO KNOW

ANZ has a process in place to help you with any incorrect or unauthorised transactions charged to your card.

WHAT YOU CAN DO IF THIS HAPPENS

You may be entitled to have a transaction reversed (a chargeback) in some situations where you have a dispute with the merchant. If you believe you're entitled to have a transaction reversed, you should let us know promptly. The Visa scheme rules impose time limits for raising a dispute. Generally under the scheme rules, ANZ must lodge a fully detailed claim on your behalf within 120 days¹. However, we recommend that you raise your dispute with us as soon as possible.

If you do not notify us of your disputed transaction and provide us with all necessary details and documentation in time for ANZ to meet this deadline, ANZ may not be able to assist you in having the disputed transaction reversed.

In some cases, the time limits under the scheme rules may not apply to your disputed transaction. However, you should still let us know about your dispute as soon as you can.

If we're satisfied after an investigation that you're entitled to have the transaction reversed, we'll credit your account for the amount originally debited for the transaction.

If we're not notified in time, we may not be able to investigate your claim, which means you're likely to be liable for the transaction. Therefore, it's important to review your statements carefully.

VISA SECURE (FORMERLY KNOWN AS VERIFIED BY VISA)

Visa Secure (formerly known as Verified by Visa) provides an extra level of protection for online Visa purchases at participating retailers utilising One Time Password via SMS sent to your mobile phone number held by ANZ. It's only possible to reverse a transaction that's been authenticated using Visa Secure where ANZ is liable as provided in the Electronic Banking Conditions of Use contained in your product Terms and Conditions or Conditions of Use.
