## **NOTES TO THE FINANCIAL STATEMENTS**

### **AS AT 30 JUNE 2020**

---

#### **1. MERYAM SUPERFUND**

The MERYAM SUPERFUND is a defined contribution plan which provides benefits to its members under a Trust Deed dated 11th August 2018

#### **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### **(a) Basis of Accounting**

This financial report is a special purpose financial report prepared for distribution to members to satisfy the accountability requirements of the Superannuation Industry (Supervision) Act 1993 and the trust deed. The Trustees have determined that the fund is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the following accounting standards:

AAS 3 Accounting for Income Tax

AAS 5 Materiality in Financial Statements

AAS 8 Events Occurring After Reporting Date.

No other Australian Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report is prepared on an accruals basis. It is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, that are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

##### **(b) Measurement of Investments**

Investments of the fund have been measured at fair market value.

**MERYAM SUPERFUND**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**AS AT 30 JUNE 2020**

---

**(c) Income Tax**

The superannuation fund adopts the liability method of tax effect accounting whereby the income tax expense shown in the operating statement is based on the benefits accrued as a result of operations before income tax adjusted for any permanent differences.

Timing differences that arise due to the different accounting periods in which items of revenue and expense are included in the determination of the benefits accrued as a result of operations and taxable income, are brought to account as either provision for deferred income tax or future income tax benefit at the rate applicable to superannuation funds.

Future income tax benefits are not brought to account unless realisation of the asset is assured beyond reasonable doubt. Future income tax benefits in relation to tax losses are not brought to account unless there is virtual certainty of realisation of the benefit.

**(d) Superannuation Contributions Surcharge**

The trustee is unable to determine the amount of the surcharge liability for the current reporting period with sufficient reliability for recognition in the financial report until an assessment is received from the Australian Taxation Office. Accordingly, the superannuation fund is recognising the superannuation contributions surcharge as an expense at the time of receipt of an assessment from the Australian Taxation Office. The cost of the surcharge is charged to the relevant member's account.

**3. LIABILITY FOR ACCRUED BENEFITS**

The liability for accrued benefits is the Fund's present obligation to pay benefits to members and beneficiaries and has been calculated as the difference between the carrying amounts of the assets and the carrying amounts of the sundry liabilities and income tax liabilities as at the reporting date.

### SOLE PURPOSE

- prepare and implement an investment strategy that takes the whole of the fund's circumstances into account, which includes, but is not limited to
  - the risks associated with the fund's investments
  - the likely return from investments, taking into account the fund's objectives and expected cash flow requirements
  - investment diversity and the fund's exposure to risk due to inadequate diversification, and
  - the liquidity of the fund's investments having regard to the fund's expected cash flow requirements in discharging its existing and prospective liabilities, and
- allow all members of the fund to have access to information and documents as required, including details about
  - the financial situation of the fund

  - the members' benefit entitlements.

### Investment restrictions

I understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, I am prohibited from the following:

- acquiring assets (other than listed securities, business real property or managed funds) for the fund from members or associates or other related parties of the fund
- borrowing money (or maintaining an existing borrowing) on behalf of the fund
- having more than 5% of the fund's total assets at any time of the year as loans to, or investments in, related parties of the fund (including trusts) and assets subject to a lease or lease arrangement between the trustee and a member, relative or other related party (these assets are in-house assets), and
- entering into investments on behalf of the fund that are not made or maintained on an arm's length (commercial) basis, ensuring that the purchase or sale price of the fund's assets reflect market value.

## ENGAGEMENT LETTER

To: The Trustees, Shanel Gorial & Meryam Mary Youkhana

### Scope

You have requested that we audit the financial report of “**MERYAM SUPER FUND**”, which comprises the balance sheet as at 30 June 2020 and the income statement for the year then ended a summary of significant accounting policies, other explanatory notes and the trustees’ declaration. We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our audit will be conducted with the objective of expressing an opinion on the financial report and compliance with the *Superannuation Industry Supervisory Act 1993*.

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement. An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used, and the reasonableness of accounting estimates made by the Trustees, as well as evaluating the overall presentation of the financial report.

Because of the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements may remain undiscovered. In making our risk assessments, we consider internal control relevant to the entity’s preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control.

We take this opportunity to remind you that the responsibility for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Superannuation Industry Supervisory Act 1993* is that of the trustees. Our auditor’s report will explain that the trustees are responsible for the preparation and the fair presentation of the financial report in accordance with the applicable financial reporting framework and this responsibility includes:

- designing, implementing, and maintaining internal control relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error.
- selecting and applying appropriate accounting policies; and
- making accounting estimates that are reasonable in the circumstances.

As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit.

**Other Matters under the *Corporations Act 2001***

*Independence*

We confirm that, to the best of our knowledge and belief, we currently meet the independence requirements of the *Corporations Act 2001* in relation to the audit of the financial report. In conducting our audit of the financial report, should we become aware that we have contravened the independence requirements of the *Corporations Act 2001*, we shall notify you on a timely basis.

We look forward to your full cooperation and make available to us whatever records, documentation, and other information we request in connection with our audit.

Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our audit of the financial report.

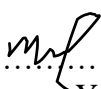

Yours faithfully,

## **INVESTMENT STRATEGY**

### **MERYAM SUPER FUND**

#### **INVESTMENT OBJECTIVES**

The trustee(s) of the above superannuation fund believe that the following general investment objectives should be considered:

- To provide superannuation benefits to the members of the fund to meet their retirement needs.
- To ensure that an appropriate mix of assets are owned by the fund by taking into account the age of the members.
- To achieve a rate of return greater than the CPI increases.
- To maintain a low level of capital volatility.
- To ensure that assets of the fund are liquid enough to meet expected cash flow requirements.

#### **INVESTMENT STRATEGY**

To achieve the above investment objectives of the fund, the trustees have determined that the fund will consider investments in the following areas:

- Australian Shares
- Cash and any other interest-bearing deposits.

The trustees believe that a return in excess of CPI when averaged over a five-year period is considered to be a good return on investment.

In determining this strategy, the trustees have considered all investment objectives, the fund's trust deed and any other relevant legislation.

It is noted that the trustees should also seek appropriate professional advice when required.

## Insurance

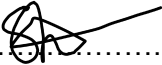

The members have considered their insurance requirements. A suitable level of cover has been established where considered appropriate.

## POLICIES

The policies of the fund are as follows:

- To continually monitor the performance of the fund's investments.
- To monitor the liquidity requirements of the fund.
- To monitor the economic and market conditions.

The trustees reserve the right to alter any of the above asset classes, percentages and returns on investment values as and when they see fit.
