

The Standard Form Contract for Sale of Real Estate in Tasmania (2018) as approved for use by the Law Society of Tasmania and the Real Estate Institute of Tasmania is made up of two parts:

1. these agreed variables and non-standard clauses, known as "the Particulars of Sale (2018)"; and
2. the standard clauses known as "the Standard Conditions of Sale (2018)".

The Standard Conditions of Sale are adopted as part of the Contract by signature of the Particulars of Sale.

The parties may add special clauses in the Particulars of Sale, for instance to make their agreement subject to finance, sale, inspection, or other issues.

The Particulars of Sale may vary the Standard Form Contract. The Particulars of Sale have priority if there is any inconsistency with the Standard Conditions of Sale.

The drafting of the Particulars of Sale should make evident changes to the provisions of the Standard Form Contract.

Words defined in the Particulars of Sale have that meaning when used in the Standard Conditions of Sale.

Shorter Period Clause

If selected below the Vendor may shorten the period to satisfy Special Clauses.

The Vendor may, by notice in writing to the Purchaser, shorten to two (2) business days after the day on which that notice is given the period for satisfying:

- Either all of the special clauses to this Contract
or the following special clauses

Additional Special Clauses are annexed

(Complete if there are attachments) The attached _____ annexure page(s) are part of this Contract.

Cautionary Notes:

Subject to these Particulars of Sale, the Standard Conditions of Sale:

- allow the Purchaser to terminate without penalty within a cooling off period; and
- provide for sale as is/where is, without promises about physical condition, permits or certificates.

Take legal and other relevant advice as soon as possible.

This Contract creates critical timeframes.

Both Vendor and Purchaser should insure the Property from the Contract Date.

Contracts relating to the sale of residential premises or potential residential land trigger specific legal obligations on vendors and purchasers. The GST Treatment and GST Withholding Treatment clauses may avail a vendor of their legal obligations but only if the correct options are selected. In the case of a contract between associates, a contract involving non-monetary consideration or contract involving a GST mixed supply, the standard provisions are not sufficient and professional advice and special clauses are required.

By signature the parties confirm:

- they have read these Particulars of Sale and the Standard Conditions of Sale 2018,
- their intention to be bound by this Contract for the sale of real estate, and
- they had the opportunity to take necessary advice before signing the Particulars of Sale.
