Remember, if you have a card, always keep your passcode (PIN) secret - don't tell anyone or let them see it. Never write your passcode on your card or on anything that could be lost or stolen. If you do need to record a reminder, you must make every effort to disguise it. You may be liable for losses if you don't protect your passcode.

To help you learn how you can protect your card against unauthorised transactions, you can find more information at stgeorge.com.au/dispute
