All other information has been obtained from sources believed to be reliable, however Shaw makes no representation as to the accuracy of the information and if you rely on this document, you do so at your own risk. Estimates as to future performance

This document may set out estimates of future cash dividends and distributions, including details of estimated franking credits. Generally, these estimates have been compiled from historical data or Shaw's estimates of future dividends and therefore should not be relied on. Past performance is no guarantee of future performance and actual dividend levels may be very different. Where Shaw or your adviser considers, in their absolute discretion, that their estimate of a future yield is preferable, they may override the historically derived estimates and you should review all prospective yields, and discuss any assumptions made, with your adviser. The document assumes you will be entitled to all dividends during the relevant period and you will need to consider the timing of proposed purchases in this light.
