Statement Glossary

Trading Account Statement

The Trading Account Statement displays all transactions processed through the trading account during the reporting period. This may include trade transactions (buying and selling shares) as well as cash movements for settling trades. All prices and values are denominated in AUD unless otherwise indicated.

Date	The date the transaction was processed
Reference	A unique reference number for the transaction
Description	A brief description of the transaction
Debit	Amount debited from the trading account
Credit	Amount credited to the trading account
Balance	A running balance of the trading account

Confirmations

The Confirmations statement lists all equity trade confirmations recorded on the trading account during the reporting period. This is a summary of the information provided to you through email or printed trade confirmations issued on the day of the trade. All prices and values are denominated in AUD unless otherwise indicated.

Code	The instrument code traded
Confirmation No	The unique confirmation reference number
Type	Indicates if the transaction was a Buy or Sell
Trade Date	The date the trade was recorded
Settlement Date	The date the transaction was due to settle. This will usually, but not always, be 2 business day after the trade date
Price	The average price at which the shares were bought or sold
Quantity	The number of shares bought or sold
Brokerage	The brokerage charged for the transaction (excluding GST)
GST	The GST charged for the transaction for brokerage and any other fees
Other Fees	Any other fees related to the transaction (excluding GST). This may include stamp duty, postage fees, or exchange fees. Please refer to your original confirmation for full details
Consideration	The consideration paid (for buys) or received (for sells) net of brokerage, fees, and GST
Foreign Exchange	For confirmations related to international shares, the foreign exchange rate and price in local currency is displayed

Holdings

The Holdings statement displays all equity positions held at the end of the reporting period.

Code	The instrument code
Company Name	The name of the company or instrument
Closing Price	The price as at market close on the last trading day of the reporting period
FX Rate	The foreign exchange rate applied to international holdings
Quantity	The notional number of shares held. This will include any pending buy transactions, and exclude any pending sell transactions
Value	The value, in AUD, of the holding at the end of the reporting period. So Closing Price x Quantity (x FX rate for international holdings)

While every effort has been made to provide you with an accurate transaction summary, we give no warranty of accuracy or reliability and take no responsibility for any errors or omissions including by negligence. You should confirm the information, holdings and valuations contained herein. All prices and values are denominated in AUD unless otherwise indicated.
