Dear Tony

RE: 35 Painted Hills Rd, Doreen

Thank you for the opportunity to discuss the potential value of your property.

Based on recent sales in the area we believe the property would have attracted buyers' interest in the vicinity of \$660,000 to \$680,000.

Again, we thank you for this opportunity and we welcome the possibility of managing the sale of your property. If you have any questions, please do not hesitate to ask.

Kind regards

Ian Mason
