Beltin Superannuation Fund

Dear Trustees

Betlin Superannuation Fund
Audit Engagement Letter

Objectives and Scope of the Audit

You have requested that we audit the financial statements of the SMSF for the year ended 30 June 2021. We are pleased to confirm our acceptance and understanding of this engagement by means of this letter.

Our audit will be performed in accordance with Australian Auditing Standards, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the *Superannuation Industry (Supervision) Regulations* (SISR) with the objective of expressing an opinion on the financial report and the fund's compliance with the specified requirements of the SISA and the SISR.

Our Responsibilities

We will conduct our audit in accordance with Australian Auditing Standards. Those Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. An audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the implementation and operation of accounting and internal control systems that are designed to prevent and detect fraud and error, as well as evaluating the overall presentation of the financial report.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatement may not be detected, even though the audit is properly planned and performed in accordance with Australian Auditing Standards.

In making our risk assessments, we consider internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. We will, however, communicate to you in writing any significant deficiencies in internal control relevant to the audit of the financial report that we have identified during the audit.

Trustees' Responsibilities

Our audit will be conducted on the basis that the trustee(s) acknowledge and understand that they have responsibilities:

- For the preparation of the financial report that gives a true and fair view in accordance with the Australian Auditing Standards, other mandatory reporting requirements and the SIS Act and SIS Regulations is that of the trustee(s);
- For such internal control as the trustee(s) determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error; and
- To provide us with:
 - Access to all information of which the trustees are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;

- Additional information that we may request from the trustees for the purpose of the audit; and
- Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from trustees written confirmation concerning representations made to us in connection with the audit.

Australian Auditing Standards require that we determine whether the financial reporting framework applied in the preparation of this special purpose of financial report is acceptable. If we determine the financial reporting framework to be unacceptable, we will not be able to undertake the audit engagement unless the framework is amended and then determined to be acceptable.

If a qualified audit report is to be issued following the completion of our audit, we will advise the details to you in a timely manner and prior to the issue of our report.

Audit of SIS Compliance

For the year ended 30 June 2021, we are required to form an opinion in respect of compliance with certain aspects of SIS. Our report must refer to the following sections and regulations:

Sections: 17A, 35AE, 35B, 35C(2), 52, 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K

Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14, 13.18AA, 13.22C

Report on Significant Matters

Under section 129 of the SISA we are required to report to you in writing. If during the course of, or in connection with, our audit, we become aware of any contravention of the Act or Regulations which we believe has occurred, is occurring or may occur.

We are also required to report to the ATO, as regulator, any contravention of the SISA and the SISR, where we believe the contravention may affect the interests of the members of beneficiaries of the fund.

In addition, we are also required under section 130 to report to you if we believe the superannuation fund may be, or may be about to become, in an unsatisfactory financial position. If we are not satisfied with your response as trustee(s) as to the action taken to rectify the situation or we receive no response, we are obliged to report the matter to the ATO.

A failure on the part of the trustee to rectify these breaches to the satisfaction of the ATO may result in significant penalties to the trustee and the fund itself.

In addition to our report on the financial statements, we will also report to you any material weaknesses in the fund's system of accounting and internal control which come to our notice during the course of our audit.

Quality Control

The conduct of our audit in accordance Australian Auditing Standards means that information acquired by us in the course of our audit is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your expressed consent.

Our audit files may, however, be subject to review as part of the quality control review program of Regulators and or Professional Bodies which monitors compliance with professional standards by its members.

We advise you that by signing this letter you acknowledge that, if requested, our audit files relating to this audit will be made available under this program. Should this occur, we will advise you. The same strict confidentiality requirements apply under this program as apply to us as your auditor.

Dear Tony

In connection with your examination of the special purpose financial report of the Betlin Superannuation Fund as at 30 June 2021, I acknowledge my responsibility for ensuring the financial report is in accordance with the accounting standards and UIG Consensus Views detailed in Note 1 to the financial statements. I confirm I have fulfilled my responsibility for the preparation of the financial report in accordance with the relevant financial reporting framework and confirm that the financial report is free of material mis-statement, including omissions, and that I have approved the financial report, as evidenced by my signature on the trustee declaration attached to the financial report.

The following representations are made which are true to the best of my knowledge and belief.

1. Accounting Policies

All the significant accounting policies of the fund are adequately described in Note 1 to the financial statements and are consistent with the policies adopted last year, unless otherwise detailed in the notes to the financial statements.

2. Fund Books / Records / Minutes

As agreed in the terms of the audit engagement, all financial books, records and related data have been made available to you, including relevant minutes of the trustee's meetings and this information has been retained in the appropriate format for the required period of time.

I confirm all transactions have been recorded and are reflected in the financial report.

3. Asset Form

The assets of the fund are being held in a form suitable for the benefit of the members of the fund.

4. Ownership and Pledging of Assets

- a) The fund has satisfactory title to all assets disclosed in the statement of financial position; and
- b) No assets of the fund have been pledged to secure liabilities of the fund (unless the charge relates to a limited recourse borrowing arrangement) or of others.

5. Investments

- a) Investments as at 30 June, 2021 are carried in the books at market value. Such amounts are considered reasonable in the light of present circumstances;
- b) There are no commitments, fixed or contingent, for the purchase or sale of long-term investments, that have not been disclosed in the financial report;
- c) The investment strategy has been determined with due regard to risk, return, liquidity and diversification; and
- d) All investments are acquired, maintained and disposed of on an arm's length basis.

6. Trust Deed

The fund is being conducted in accordance with its governing rules.

7. Income Tax Assessment Act, Superannuation Industry (Supervision) Act and Regulations

The fund is in compliance with the requirements of the relevant Income Tax Assessment Act, and the fund is being conducted in accordance with the Superannuation Industry (Supervision) Act 1993, and Superannuation Industry (Supervision) Regulations 1994 ("SIS") (with the exception of any contraventions as identified by you as the auditor) and we specifically confirm:

- a) The trustee has been nominated and may only be removed in such manner and circumstances as are allowed in the trust deed;
- b) The trustee has complied with all the trustee standards set out in the regulations and the covenants prescribed by SIS Section 52;
- c) The director of the trustee is not a disqualified person;
- d) The trustee has complied with the investment standards set out in SIS; and
- e) Information retention obligations have been complied with.

All known instances of non-compliance or suspected non-compliance with the relevant Income Tax Assessment Act or the SIS legislation whose effects should be considered when preparing the financial report, or that impact your obligation to report certain matters to the Australian Taxation Office have been disclosed to you.

8. Internal Controls

I acknowledge our responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud. I have established and maintained an adequate internal control structure to facilitate the preparation of a reliable financial report and to ensure that the assets of the fund are safeguarded from fraud or error. I have assessed the risk that the financial report may be materially mis-stated as a result of fraud and advise I have no knowledge of any actual, suspected or alleged fraud affecting the fund.

The fund does not have a formal process for identifying, estimating or assessing business risks relevant to the financial reporting objectives, and this is considered appropriate in the circumstances.

There are no specific risks arising from the information technology utilised by the fund that require attention by the trustee.

To monitor internal controls over financial reporting, I review all reports provided by the information technology systems utilised by the fund for accuracy. This assists in determining if the information is sufficiently reliable for financial reporting purposes.

In instances where the fund uses a custodian, I confirm I have not been advised of any fraud, non-compliance with laws and regulations or uncorrected mis-statements that would affect the financial report of the fund.

9. Contributions

I confirm the non-concessional contributions, if any, received by the fund are within the limits imposed by the legislation, taking into account contributions paid to other superannuation funds.

10. Legal Matters

I confirm you have been advised of all significant legal matters, and that all known actual or possible litigation and claims have been adequately accounted for, and been appropriately disclosed in the financial report.

Any minutes of meetings with the fund’s legal counsel have been provided for audit review.

11. Related Parties

All related party transactions have been brought to your attention.

12. Subsequent Events

Other than those reported, there are no events subsequent to year end, nor any new litigation or claims referred to the fund’s legal counsel, that would require adjustment to, or disclosure in, the financial report.

13. Going Concern Assumption

I confirm I have no knowledge of any events or conditions that would cast significant doubt on the fund’s ability to continue as a going concern.

INVESTMENT STRATEGY BETLIN SUPERANNUATION FUND

The broad investment philosophies, which were considered, were:

- **CAPITAL GUARANTEED**, using Funds offering a capital guaranteed return
- **CASH**, using short-dated fixed investments and cash. All investments must be AA and/or A1 or better with a portfolio maturity of less than six months
- **FIXED INTEREST**, which will increase the returns over cash but reduced the liquidity? There are two options:
 - Fixed term - Fixed interest with strongly underlying security and to manage the liquidity required by selecting different fixed terms
 - Market linked fixed interest using pooled Funds which offer liquidity and some capital volatility
- **CAPITAL STABLE**. The objective of this is to provide stability of capital investment and have a high probability of achieving a positive return each year. The aim is to achieve a portfolio mix of assets and Funds that will achieve this result (i.e. 50 - 80% fixed interest and cash and 2 - 50% growth assets)
- **GROWTH**. The objective of which is to provide capital growth over the medium to long-term with a greater volatility of short-term returns. The relative weighting in cash and fixed interest will be low and the exposure in growth assets (Australian and overseas shares and property will be high, (50 - 100%). However it is accepted that even under the strategy the amount invested in cash and fixed interest could be as high 100% in circumstances where the trustee has decided to invest in cash in view of an anticipated downward share market movement.

It was resolved that the investment objective of the superannuation fund is growth and the following investments mix would meet the objective:

- Direct Shares
- Bank Deposits

It was resolved by the members not to purchase life insurance or provide a reserve for insurance.
