For a full list of the assumptions used to calculate the amounts in this report, please refer to the Tax Guide, which is available online.

This report does not include the interest and borrowing fees that may be applicable to instalment warrants held in the Service. A separate Issuer Instalment Warrant Tax Report is available from an investor's financial adviser which contains this information.

Disclaimer: The information provided in this Tax Report reflect only those related to this account. These amounts will need to be adjusted for any additional income earned or expenses incurred elsewhere by the investor in the current tax year.

The Tax Report only discloses current year capital losses incurred from assets held within the Service. Where the investor has any prior year capital losses or current year capital losses incurred from assets held outside the Service, we recommend the investor seek independent taxation advice to determine the correct capital losses amount.

We have treated all Establishment Fees as non-deductible. For all other "adviser" fees, we have treated them as unallocated or classified them based on instructions received and have not considered whether the classification is correct.

We recommend investors seek independent taxation advice to determine the deductibility or otherwise of these fees.
