Calculation Of Your Investment Return

	Amount(\$)
Investment Return	
Closing Balance	\$9,537.95
Add: disposal proceeds	\$0.00
Less: opening balance	\$9,046.56
Less: application / reinvestment amounts	\$0.00
Less: direct fees	\$0.00
Change in market value (growth value)	\$491.39
Add: gross distribution amounts (distribution return)	\$673.44
Investment return (total return)	\$1,164.83

Management costs are calculated using an estimate of the Indirect Cost Ratio (ICR). The ICR is calculated by dividing the fund's management costs and expenses (including accrued performance fee pro-rated over the term of the fund) by its average net assets. Performance fee accruals may increase or decrease over time before they are actually paid. As a result, the "total fees you paid" is likely to be different to the fees paid, as the calculation is based on an estimate of fees paid (which generally affects distributions) and an estimate of fees accrued (which generally affects the unit price).

This is not a statement for tax purposes. We have sent you a separate statement which contains all the information about your investment that you need to complete your tax return.

The disposal proceeds and/or acquisition costs have been calculated based on the published unit price and may not reflect the amount that you have paid or received for your units, and therefore may not reflect your actual return.

Notes to the statement
Unit prices

The opening balance is the balance brought forward from the previous period. The closing balance is calculated using the withdrawal unit price applicable on the last day of the period, less the amount per unit of any distribution paid.

Return on investment

The return on investment includes the change in market value of your investment plus gross distributions reinvested and gross distributions paid out for the period. The return on an investment may differ from the performance of a fund because the former takes into consideration any additional transactions and timing differences (e.g. investments, withdrawals, etc) and the effect that they have on an investment return.

Additional explanation of fees and costs

Any fees deducted directly from your investment are detailed in your investment summary for the period.

Some fees and expenses such as the management fee and fund expenses are accrued and deducted from a common fund. These deductions are borne indirectly by investors and affect investment returns. An estimate of the amount of these fees and expenses is detailed in 'Total estimated fees paid for the period'.

In addition to the fees shown in this statement, where you have bought or sold units in a fund a buy/sell spread may have been applied. The buy/sell spread reflects our estimate of the transaction costs expected to be incurred in buying or selling a fund's underlying assets. Please note that the buy/sell spread is not a fee paid to us, it is paid to the fund. The buy/sell spread, however, is an additional cost to you.

Changes to the Fund and further information (continued)

Update to Product Disclosure Statements

This update is to be read together with each Fund's PDS and has been issued to update the following information in PDS for each Fund listed in the table below.

Additional information about withdrawing

Under 'How to make a withdrawal' in the 'Additional information about withdrawing' section in each Fund's PDS or Additional Informational Booklet, the following replaces the first three paragraphs:

"Direct Investors can request a withdrawal by telephone or fax (refer to 'Telephone and fax instructions' in this document) or in writing. A withdrawal request, either in whole or in part, once received by us may not be withdrawn without our agreement. Withdrawals can only be made to a bank account held in your name. If you make your withdrawal request by telephone or fax, we can make your withdrawal payment to a previously nominated bank account we have on file.

If you provide us with an appropriately signed, original written request, then in addition to the payment methods set out above, we can also make payments by direct credit to another bank account in your name.

We will require the following information when you make your withdrawal request

- your account number;
- the full name(s) in which your investment account is held;
- the amount (dollar or units) you wish to withdraw;
- method of payment; and
- a daytime telephone number.

Further information If you would like more information regarding this change please contact your financial adviser, visit our website www.fidante.com.au or call our Investor Services team on 13 51 53, during Sydney business hours.

Changes to the Fund and further information (continued)**Continuous disclosure**

Fidante Partners Limited, as responsible entity of the Fund, is subject to continuous disclosure obligations that require us to make material information available to investors. You can obtain a copy of the Fund's continuous disclosure information by visiting our website www.fidante.com.au. A paper copy of any updated information will also be given to you, on request, without charge.

Notes to the statement**Unit prices**

The opening balance is the balance brought forward from the previous period. The closing balance is calculated using the withdrawal unit price applicable on the last day of the period, less the amount per unit of any distribution paid.

Return on investment

The return on investment includes the change in market value of your investment plus gross distributions reinvested and gross distributions paid out for the period. The return on an investment may differ from the performance of a fund because the former takes into consideration any additional transactions and timing differences (e.g. investments, withdrawals, etc) and the effect that they have on an investment return.

Additional explanation of fees and costs

Any fees deducted directly from your investment are detailed in your investment summary for the period.

Some fees and expenses such as the management fee and fund expenses are accrued and deducted from a common fund. These deductions are borne indirectly by investors and affect investment returns. An estimate of the amount of these fees and expenses is detailed in 'Total estimated fees paid for the period'.

In addition to the fees shown in this statement, where you have bought or sold units in a fund a buy/sell spread may have been applied. The buy/sell spread reflects our estimate of the transaction costs expected to be incurred in buying or selling a fund's underlying assets. Please note that the buy/sell spread is not a fee paid to us, it is paid to the fund. The buy/sell spread, however, is an additional cost to you.

Dear Investor

Withdrawal Capital Gains Tax Statement

Please find enclosed your Withdrawal Capital Gains Tax ('CGT') Statement ('CGT Statement') in respect of your investment in the Platinum Trust Funds.

You have received this CGT Statement because our records show that you were an Australian tax resident at 30 June 2019 and you have withdrawn units from the Platinum Trust Funds during the 2018/19 financial year.

The capital gains and losses that appear in the CGT Statement are only in respect of withdrawals of units in the Platinum Trust Funds, and are in addition to any capital gains that may have been attributed to you as part of the 30 June 2019 distribution paid by the Platinum Trust Funds. If you were a unit holder at 30 June 2019, you should have recently received the 30 June 2019 Attribution Managed Investment Trust ("AMIT") Member Annual Statement ("AMMA Statement").

We have also prepared some information in relation to your CGT Statement ('CGT Information'). This CGT Information is enclosed with this letter and your 2019 CGT Statement. The tax treatment of capital gains and losses is complex. How it applies to you will depend on the type of taxpayer that you are (e.g. an individual, superannuation fund, trust or company) and your specific tax circumstances.

You may be able to use this CGT Information if you are an Australian tax resident individual, complying superannuation fund, trust or company, in completing your 2018/19 income tax return in respect of your capital gains and losses on the withdrawal of units in the Platinum Trust Funds.

Platinum does not provide taxation advice or any other professional advice and recommends that you obtain professional advice from an accountant or tax adviser regarding your particular tax circumstances.

If you have further questions, please contact Platinum's Investor Services on 1300 726 700 or 02 9255 7500.

Yours faithfully

Platinum Trust Funds ("PT Funds") – OECD Common Reporting Standards

Australia has implemented the OECD Common Reporting Standard (the "CRS") for automatic exchange of taxation information between all participating jurisdictions globally. This is a single global standard for the collection and reporting of information by financial institutions on non-resident account holders.

Whilst we are aware that you are no longer a unit holder in the PT Funds, because you held units in the PT Funds during the year ended 31 December 2018, we are required to determine where you were a 'tax resident' at the time you exited the PT Funds and collect CRS information from you.

Please complete the Self-Certification Form ("Form") and return to Platinum by **30 June 2019**, via:

- the following link on Platinum's website, which will enable you to complete and submit the Form online: <https://www.platinum.com.au/application/crs>, OR
- the enclosed reply paid envelope (for Australian residents only), fax or email.

If we do not receive your completed Form by 30 June 2019, we may be required to report any non-compliance to the Australian Taxation Office.

If you would like further information, please contact Investor Services on 1300 726 700 (Australia only), 0800 700 726 (NZ only), 02 9255 7500 or email invest@platinum.com.au

CRS DEFINITIONS

Account Holder means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as agent, custodian, nominee, signatory, investment advisor, intermediary, or as legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

Active NFE an Entity that is not a Financial Institution will be classified as Active NFE if it meets any of the following criteria:

- a) less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- c) the NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- e) the NFE is not yet operating a business and has no prior operating history, (a "start-up NFE") but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;
- f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- h) the Entity is a non-profit organisation which meets certain criteria.

Entity means a legal person or a legal arrangement, such as a corporation, partnership, trust, or foundation.

Financial Institution means a Custodial Institution, a Depository Institution, an Investment Entity, or a Specified Insurance Company.

NFE means any Entity that is not a Financial Institution.

Passive NFE means any NFE that is not an Active NFE or an Investment Entity that is not a Participating Jurisdiction Financial Institution.

TIN (including functional equivalent) means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link: <http://www.oecd.org/tax/transparency/automaticexchangeofinformation.htm>

INFORMATION REGARDING YOUR WITHDRAWAL CAPITAL GAINS TAX (CGT) STATEMENT

The purpose of this CGT information ("CGT Information")

The tax treatment of capital gains and losses is complex. How it applies to you will depend on the type of taxpayer that you are (e.g. an individual, complying superannuation fund, trust or company) and your specific tax circumstances.

This CGT Information will help you understand the enclosed **Withdrawal Capital Gains Tax Statement ("CGT Statement")**. This CGT Information should be read in conjunction with the 'Guide to capital gains tax 2019' published by the Australian Taxation Office ('ATO') at www.ato.gov.au. Individual investors should also refer to the 'Personal investors guide to capital gains tax 2019', published by the ATO at www.ato.gov.au.

If you are an **Individual Australian tax resident**, you may use the instructions in this CGT Information on pages 6 to 9 to assist you in completing your 2018/2019 income tax return in respect of your capital gains and losses on the withdrawal of units in the Platinum Trust Funds.

Why you have received this CGT Information

You have received this CGT Information because:

1. our records show that you were an Australian tax resident as at 30 June 2019; and
2. you withdrew units from the Platinum Trust Funds during the income year ended 30 June 2019.

Important Notice

This CGT Information is not in any way intended to constitute taxation or any other professional advice. This CGT Information has been provided to you for informational purposes only and should not be relied upon. This CGT Information has not been prepared with your personal circumstances in mind. A number of assumptions have been made in the preparation of this CGT Information which are set forth on pages 5 and 6 of this CGT Information, and which may not be relevant to you. We strongly recommend that you obtain professional advice from an accountant or tax adviser regarding the completion of your 2018/2019 income tax return and your particular tax circumstances. To the maximum extent permitted by law, no liability is accepted by Platinum Investment Management Limited, any company in the Platinum Group® or any of their respective directors, officers or employees for any loss or damage arising as a result of any reliance placed on this CGT Information.

How to calculate your Net Capital Gain (Label 18A)

If you have no other capital gains or losses

If you have no capital gains or losses from other sources (including no attribution of capital gains from the Platinum Trust Funds) and all the assumptions set out on pages 5 and 6 are applicable to you, then you can use the **Net Capital Gain** figure from the 'Individual' section of the table at the end of your CGT Statement.

If you do have other capital gains or losses

If you have capital gains from sources other than the withdrawal of units then you will need to follow the steps set out below to calculate the figure you will need to write at Label 18A.

Note that your capital gains from other sources include any attribution of capital gains from the Platinum Trust Funds for the income year ended 30 June 2019. For information about any attributions, please refer to your 'Attribution Managed Investment Trust (AMIT) Member Annual Statement' and the 'Information Regarding the Completion of your 2019 Tax Return – Only for Individual Australian Tax Residents' that was sent to you by Platinum on or around the time when the distribution was paid.

Calculate capital gains

Step 1: Refer to the table that provides the detail of your withdrawals in your CGT Statement. Add together the total of the **Discount Gain** and **Other Gain** columns.

Step 2: Take the total from Step 1 and add to it your capital gains from other sources (before the application of capital losses). If you applied an exemption or rollover to any capital gains, they do not need to be included in this step.

Calculate current income year capital losses

Step 3: Refer to the table in your CGT Statement that provides the details of your unit withdrawals. Add to the total of the **Capital Loss** column, your capital losses in the current income year from other sources.

Apply current income year capital losses against gains

Step 4: Apply your current income year capital losses against your capital gains, by deducting the total at Step 3 from the total at Step 2. If the result is nil or a negative figure, then you can simply write **0** at Label 18A.

If the result is a positive figure, then you need to choose which capital gains you will apply your capital losses against. You may apply your capital losses in any order you wish.
