## **Part 2 Death benefit arrangements**

In a separate document, I have entered into a Death Benefit Agreement with the trustees.

### **Notice: The types of death benefit arrangements and the order in which they take effect**

The Fund's Deed allows three types of death benefit payment arrangements. They, and the order in which they take effect, are as follows:

- **death benefit agreements** — which bind the trustee and which do not expire, see Part H of the Deed;
- **binding death benefit notices** — which bind the trustee but which expire after 3 years or earlier if replaced or revoked; and
- **non-binding nomination forms** — which do not bind the trustee but which do not expire until replaced or revoked.

**Death benefit agreements** take priority over binding death benefit notices and non-binding nomination forms.

### **What you need to consider**

When you, as a member, are considering signing a binding death benefit notice or a non-binding nomination form it is important to consider that:

- a death benefit agreement takes priority over any binding death benefit notice or any non-binding nomination form;
- to the extent permitted by superannuation law, the trustee must pay or apply the relevant benefit in accordance with the death benefit agreement. Therefore if you sign a binding death benefit notice or a non-binding nomination form, then they will have no effect on any earlier or later death benefit agreement that you sign; and
- if any part of a death benefit agreement is invalid, then the trustee (as required by the Fund's Deed) will pay or apply the "invalid" part of the death benefit in accordance with any binding death benefit notice, or by reference to any non-binding nomination form, you have signed.

**Part 3 Provision of member's tax file number to regulated superannuation fund**

To the trustees of the The Dreher Family Superannuation Fund.

I have been informed of the reasons why my TFN is sought by the fund.

My TFN is 314664333.
