Dear Trustees,

RE: Contribution Bring Forward.

I am advising the Trustees of the Specialised Worx Super fund that I will be putting in a non-concessional contribution during the 20/21 year that will exceed the current limit of \$100,000. I would therefore like to use the bring forward rule to ensure this contribution is within the yearly limits. I understand that this will limit my non-concessional contributions for the 21/22 and 22/23 years.

Regards

Matthew Schultz
