PROPERTY VALUATION GUIDANCE:	According to SIS Regulation 8.02B and subsection 10(1) of the SIS Act, the Trustee must provide objective and supportable evidence annually, supporting the market value of the Fund's assets as per the ATO's SMSF valuation guidelines.
	In cases where the Fund holds property assets, it is crucial to obtain adequate evidence for audit purposes. This evidence allows the auditor to form an opinion on whether the Fund has adhered to SISR 8.02B. Additionally, the trustee must confirm whether any significant events have occurred since the last valuation that would warrant a substantial change in the property's valuation. Upon the request of the Fund's auditor, the Trustee is required to provide a declaration concerning the property. This declaration should affirm ownership and compliance with various SIS requirements.
