Storage Types Explained

Pool Allocated Physical metal which exists within ABC Bullion's general stock but not as specific bars of metal.
Secure Bars of a specific weight, shape and brand are stored but interchangeable with other identical bars.
Premium Individual bars with unique serial numbers are specifically allocated to the client.

Imperial to Metric Conversions
Ounces are measured in Troy Ounces (oz t)
1 troy oz = 31.1 grams
32.15 troy oz = 1KG

Spot Prices and Portfolio Value*: Are based on the spot price at this statement's closing date. They do not represent the rate at which ABC Bullion will buy back the metal. Buy back prices depend on the physical products owned.

Responsibility for the Procedures Agreed

The Directors of ABCN are responsible for the adequacy or otherwise of the procedures agreed to be performed by us and for determining whether the factual findings provided by us, in combination with any other information obtained, provide a reasonable basis for any conclusions the intended users wish to draw on the subject matter.

Assurance Practitioner's Responsibility

Our responsibility is to report factual findings obtained from conducting the procedures agreed.

We conducted the engagement in accordance with the Standard on Related Services ASRS 4400 *Agreed-Upon Procedures Engagements to Report Factual Findings*. We have complied with the ethical requirements applicable to Other Assurance Engagements, including independence.

Because the agreed-upon procedures do not constitute either a reasonable or limited assurance engagement in accordance with AUASB Standards, we do not express any conclusion and provide no assurance on the procedures performed.

Restriction on Use of Report

This report is intended solely for the use of ABCN for the purpose set out above.

As the intended user of our report, it is for you and other intended users to assess both the procedures and our factual findings to determine whether they provide, in combination with any other information you have obtained, a reasonable basis for any conclusions which you wish to draw on the subject matter.

As required by ASRS 4400, use of this report is restricted to those parties that have agreed the procedures to be performed with us and other intended users identified in the terms of the engagement (since others, unaware of the reasons for the procedures, may misinterpret the results). Accordingly, we expressly disclaim and do not accept any responsibility or liability to any party other than ABCN for any consequences of reliance on this report for any purpose.
