Dear Mr Robson,

MD & MM Barclay Superannuation Fund
- TRUSTEE REPRESENTATION LETTER

We refer to your audit of the above fund for the year ended 30 June 2021.

As Trustees of the Fund, we make the following representations in conjunction with your Audit of the Fund for the year ended 30 June 2021:

Our Responsibilities

We are responsible for ensuring that the Fund complies with the Superannuation Industry (Supervision) Act 1993 (SISA) and other relevant legislation.

The Commissioner of Taxation (the Commissioner) has the authority and responsibility for administering the legislation and enforcing the fund's compliance with the law.

If we do not comply with the legislation, the Commissioner may take the following actions:

- impose administrative penalties on us
- enter into agreements with us to rectify any contraventions of the legislation
- disqualify us from being a Trustee or Director of a corporate trustee of any superannuation fund in the future
- remove the Fund's complying status resulting in a significant tax penalty on the Fund, and
- prosecute us under the law, resulting in fines or imprisonment.

We must keep ourselves informed of changes to the legislation relevant to the operation of our Fund and ensure the Trust Deed is kept up to date in accordance with the law and the needs of the members.

We acknowledge our responsibility as Trustees of the Fund to ensure the accuracy of the financial records and the Financial Statements of the Fund.

Sole Purpose

We understand that it is our responsibility to ensure that Fund is maintained solely for providing benefits to its members upon their retirement (or attainment of a certain age) or their beneficiaries if a member dies.

Trustee Duties

We understand that by law we must:

- act honestly in all matters concerning the Fund
- exercise skill, care and diligence in managing the Fund
- act in the best interests of all the members of the Fund
- ensure that our money and other assets are kept separate from the money and other assets of the Fund
- take appropriate action to protect the Fund's assets (for example, have sufficient evidence of the ownership of Fund assets)
- not enter into any contract, or do anything, that would prevent us from, or hinder us in, properly performing or exercising our functions or powers as a trustee or director of the corporate trustee of the Fund

- prepare and implement an investment strategy that takes the whole of the Fund's circumstances into account, which includes, but is not limited to
 - the risks associated with the Fund's investments
 - the likely return from investments, taking into account the Fund's objectives and expected cash flow requirements
 - investment diversity and the Fund's exposure to risk due to inadequate diversification, and
 - the liquidity of the Fund's investments having regard to the Fund's expected cash flow requirements in discharging its existing and prospective liabilities, and
- allow all members of the Fund to have access to information and documents as required, including details about
 - the financial situation of the Fund
 - the investments of the Fund, and
 - the members' benefit entitlements.

Investment Restrictions

We understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, we are prohibited from the following:

- lending money of the Fund to, or providing financial assistance to, a member of the Fund or a member's relative (financial assistance means any assistance that improves the financial position of a person directly or indirectly including the provision of credit)
- acquiring assets (other than listed securities, business real property or managed funds) for the Fund from members or associates or other related parties of the Fund
- borrowing money (or maintaining an existing borrowing) on behalf of the Fund

- entering into investments on behalf of the Fund that are not made or maintained on an arm's length (commercial) basis, ensuring that the purchase or sale price of the Fund's assets reflect market value.

Accepting Contributions and Paying a Benefit

We understand that we can only accept contributions and pay benefits (pensions or lump sums) to members or their beneficiaries when the conditions specified in the law and the Fund's governing rules (including its trust deed) have been met.

Administration

We understand that the trustees of the Fund must:
