Hi Mike
thankyou for that pdf statement and this information

Sorry to know that old age has hit – bugger!!!!

Anytime you have documents, and you feel like a wobble to the post office, or pressing the computer keyboard please send them through during the year.

This will take the pressure of end of financial year, and I can store documents as we go...

I'll come back to you with final tax returns

Thankyou for your prompt assistance.

Time for a Bex and Lie down...
(I'm jealous)

Regards

Hi Heather,

Hope you are well.

We're hanging in there, just feel so weary lately (old age has caught up with us!)

Just received your mail this morning.

We have signed the papers you sent and will return them today.

Charges incurred on Mooloolaba are:-

Electric	\$915.96
Water	\$1086.50
Strata	\$6478.88
Insurance	\$326.00
Rates	\$3219.70

I'm not sure what you mean by 'paper copies of documents that pop up with rollovers during the year' ?

Hope I've supplied enough information for you.

I have paid your Invoice today also.

Regards,
Mike
