As long as we hear from you at least two business days before maturity, we can change your maturity instructions with no hassle. If you are changing your nominated account and it is from another bank or institution, please include a copy of a bank statement to help verify your ownership of this account.

If you don't change your maturity instructions, we'll reinvest your Business Term Deposit for the same length and interest payment frequency (which includes how your interest earned is paid to you), at the interest rate applicable for a Business Term Deposit on that maturity date.

If all or part of your investment is to be paid out on a weekend or non-business day, generally we will transfer the funds to your nominated account by the next business day. If your nominated account is with another financial institution, you may experience an additional delay before the amount becomes available to you.
