Your UBank SMSF Term Deposit is ready to roll.

As per your earlier instructions, your SMSF Term Deposit will be re-invested (both principal and interest) on 08 March 2022.

Competitive rates

As you know, interest rates change all the time. The rate that will apply to your new Term Deposit will be determined at maturity, and may be higher or lower than your current rate.

You'll receive a letter with the full details of your new Term Deposit (including your new rate and term) shortly after once your term deposit has rolled over. You can also find your rate by going to ubank.com.au on the maturity date

Your Chosen Bank Account details

If you change your mind, and you decide instead to close your account or to transfer any of your principal or interest at maturity we need to know which account you'd like us to transfer your money into. The quickest way to do this is through Online Banking. Log in and go to 'Managing', select your account from the drop down list and click 'Maturity Instructions' by at least 06 March 2022 – otherwise we'll simply invest your principal and interest into a new Term Deposit as per your existing instructions.

Changing your mind

We understand you might need additional time to weigh up your options once your Term Deposit matures. If you want to make changes to your new Term Deposit you can do so within 7 calendar days of your Term Deposit maturing (including the maturity date shown above). During this period you can add or withdraw funds, close the Term Deposit, and/or change its term without incurring fees. You can do this by calling us on 13 30 80.

If you withdraw any of the principal in the 7 calendar day period or before the scheduled maturity date, you won't be eligible for the Loyalty Bonus of 0.10% above the current standard interest rate when your Term Deposit matures.

If you'd like information on our other interest rates and to see if you could get a higher rate with a different product or term, simply go to ubank.com.au.
