Eligible pensioners could be entitled to a rates rebate on their principal place of residence.

Deferring payment of your rates can be an option if you are a pensioner, aged over 65, or experiencing financial hardship. A low rate of interest applies and the outstanding amount is paid on sale or transfer of the property. Please visit revenue.act.gov.au/rates-assistance to determine if you are eligible.

Late payments will attract interest on the amount due at a rate of 8.02% p.a. and this will continue to compound monthly on any amounts that remain unpaid on the 16th day of each month.

What your rates fund

The ACT Government provides both state and council government services, which means your rates contribute to supporting our schools, hospitals and police in addition to local government services.
